

Union Home Minister and Minister of Cooperation Shri Amit Shah says that a true leader stands by his people through every circumstance

Prime Minister Shri Narendra Modi ji flew directly to Bengaluru from Greece this morning, to meet the ISRO scientists behind India's successful moon mission, Chandrayaan 3

His inspiring address to the scientists in Bengaluru was an ode to India's stupendous achievement that reached the skies

23rd of August is a historic day for India, as it marks the accomplishment of its lunar mission Chandrayaan 3

Today, Prime Minister Shri Narendra Modi ji announced it as 'National Space Day', so that the story of India's scientists' success behind this mission reaches every future generation

This decision will continue to inspire Indian scientists to achieve newer heights in the realm of space exploration, holding the pride of the 'Tiranga' aloft

With the historic success of India's lunar mission, our scientists have imprinted an indelible mark on the sands of time

To commemorate this achievement, Prime Minister Shri

Narendra Modi ji named the landing spot of Chandrayaan-3 'Shivshakti,' and the location where Chandrayaan-2 fell 'Tiranga', to remind us that 'No failure is permanent'
