05 March 2024, Tuesday

Salient points of speech of Hon'ble Union Home Minister & Minister of Cooperation Sh Amit Shah while addressing Yuva Sammelan in Jalga Peth, Jalgaon (Maharashtra)

This Lok Sabha election is pivotal for securing a promising future for our youth and advancing the vision of a prosperous India.

The INDI alliance is thinking only for their family, Modi ji is working for 130 cr countrymen.

The youth should vote for that party which will take the country to the position of a global leader.

Modi ji's resume showcases a decade of accomplishments and a vision spanning 25 years.

The Modi government opened doors for the youth in several sectors ranging from space to semiconductor, digital to drones, AI to vaccines and 5G to fintech.

Modi ji aims to elevate the country to the third-largest economy, launch a space station by 2035, host the Olympics in 2036, and send Indian astronauts to the moon by 2040.

Mahavikas Aghadi cannot develop Maharashtra, all three wheels of their auto are punctured.

Vote for BJP means - bright future of youth, creation of a great Bharat and making Modi ji Prime Minister for the third time.

Leave aside 50 years, NCP cannot give an account of even the last 5 years

A party that promotes its own family cannot strengthen the democracy of the country. All parties of I.N.D.I. alliance is suffering from nepotism.

Union Home and Cooperation Minister Shri Amit Shah addressed the Yuva Sammelan in Jalgaon, Maharashtra on Tuesday. During the event Maharashtra's Deputy Chief Minister Shri Devendra Fadnavis, Maharashtra BJP State President, Shri Chandrashekhar Bawankule, Rural Development and Panchayati Raj Minister of Maharashtra, Shri Girish Mahajan and other officials, including the Minister of Rural Development and Panchayati Raj, Shri Girish Mahajan were present. During the public meeting, Shri Amit Shah highlighted the achievements of the BJP government under the leadership of Prime Minister Shri Narendra Modi over the last

10 years. He also highlighted the corruption and dynastic politics of the Congress government and INDI alliance. Along with the youth, he pledged to ensure victory for the NDA on more than 400 seats across the country.

Union Home and Cooperation Minister Shri Amit Shah stated that Maratha king Shivaji Maharaj revived the spirit of independence after a prolonged period of subjugation and laid the foundation of the respect India enjoys globally today. Referring to **the upcoming 2024 elections, he expressed that this isn't merely about electing Shri Narendra Modi as Prime Minister or ensuring victory for BJP candidates. Rather, it's about steering India towards self-reliance and development by 2047.**

Union Home Minister Shri Amit Shah emphasized that although there might be few leaders on the stage in 2024, the youth are the true essence of this election – it's about their future. **Voting for the BJP means endorsing a bright future for the youth, endorsing the vision of a prosperous India, and supporting PM Shri Narendra Modi for his third term as Prime Minister.** Addressing the first-time voters, he urged them to make an informed decision and choose the party that can lead India to become a global leader and foster greatness.

Shri Amit Shah urged the youth to vote for the party that upholds India's democracy. Shri Shah asserted that **the parties unable to foster democracy within their own ranks, especially those entrenched in dynastic politics like the ones opposing PM Shri Narendra Modi, particularly those within the INDI Alliance, cannot be trusted to strengthen the nation's democracy.** The parties within the INDI Alliance, who criticize Prime Minister Shri Narendra Modi, are themselves dynastic parties. Sonia Gandhi, Mamata Banerjee, Lalu Yadav, Sharad Pawar, Stalin, aim to make their sons and nephews Chief Ministers and Prime Ministers.

Union Home and Cooperation Minister Shri Amit Shah remarked that **Hon'ble Prime Minister Shri Narendra Modi has envisioned a Viksit Bharat and great India for the future of the country's youth, keeping the aspirations of 130 crore voters in mind.** Shri Shah contrasted that during the tenure of INC government, where terrorism thrived with bomb blasts orchestrated by Pakistan, with **Prime Minister Shri Narendra Modi's 10-year tenure, during which surgical strikes and air strikes were conducted within ten days of terrorist attacks in Uri and Pulwama, penetrating into Pakistan's territory. Prime Minister Shri Narendra Modi's second term saw the historic removal of Article 370 on August 5, 2019, effectively integrating Kashmir with India after it remained pending for 70 years under the tenure of INC.** Shri Amit Shah stated that Rahul Gandhi warned against removing Article 370, predicting bloodshed, yet five years after its removal, there has been no such unrest. **Shri Narendra Modi's leadership has bolstered national security, curbing terrorism and naxalism, while also fostering economic growth. Shah contrasted this with past governments, noting that under Manmohan Singh's tenure, India's global ranking stagnated at 11th rank as it was during the tenure of Shri Atal Bihari Vajpayee, whereas under PM Shri Narendra Modi's leadership, India has risen to the fifth position globally.**

Union Home and Cooperation Minister Shri Amit Shah emphasized that under **PM Shri Narendra Modi's leadership, if elected for a third term, India's economy would further prosper, potentially elevating its global ranking to third place.** Over the past decade, PM Shri Narendra Modi has spearheaded advancements across various sectors, spanning from space exploration to semiconductor technology, digital innovation to drone technology, AI to vaccine development, and from 5G to fintech, providing opportunities for the youth. **Hon'ble Prime Minister Shri Narendra Modi possesses a comprehensive record of his achievements over the past decade and also harbors a vision for the nation's progress for the next 25 years. Such visionary leadership, dedicated to advancing the country, is rare to find.**

Shri Amit Shah emphasized that **under the leadership of Prime Minister Shri Narendra Modi, the Indian economy has made significant strides, positioning India as a bright spot on the global map.** He highlighted notable achievements over the past decade including the daily opening of two new colleges and one university each week. 55 patents and 600 trademarks are registered daily. Shri Shah highlighted the distribution of Mudra Loans to 1,50,000 youths daily, the establishment of almost 37 startups daily, and daily transactions amounting to almost ₹16,000 crore through UPI. Shri Amit Shah also mentioned the daily opening of three Jan Aushadhi Kendras, the construction of 14 kms of railway track and 29 kms of road, as well as the daily distribution of 50,000 gas connections through the Ujjwala Yojna. Shri Shah pointed out the upliftment of 75,000 individuals from poverty daily and one household gaining access to tap water every second, symbolizing India's transformative journey.

The Union Home Minister asserted that **the people of Maharashtra have been shouldering the burden of Sharad Pawar for the past 50 years.** He challenged Sharad Pawar's accountability, stating that even in five years, there is no substantial record of his work. Shah emphasized that in this world, respect is earned through power rather than fear. Shri Shah encouraged **the youth and urged them to exercise their voting rights vigorously, aiming to propel Shri Narendra Modi to his third term as Prime Minister with a vote tally surpassing the 400 mark.**

Shri Amit Shah emphasized that **in pursuit of vote bank politics, the Congress party has consistently shown disrespect towards the cultural values of our country.** He pointed out that the construction of the Ram Mandir and Kashi Vishwanath corridor should have taken place much earlier, but **the Congress delayed these projects for over 70 years.** Shri Shah praised Prime Minister Shri Narendra Modi for taking decisive action, performing the 'Pran Pratishtha' of Shri Ram Lalla, and fulfilling the longstanding dream.

The Union Home and Cooperation Minister highlighted that the One Rank One Pension issue lingered for 40 years without resolution, but the government led by Prime Minister Shri Narendra Modi addressed it. He also commended **the government for honoring women with 33 percent reservation in Legislative Assemblies and the Lok Sabha, along with the abolition of Triple Talaq.** He mentioned that the BJP government implemented various initiatives, including the distribution of 5 kg of free food grains per person per month to 80 crore poor individuals. Additionally, over 12 crore toilets were constructed to ensure dignity for mothers and sisters. Under the Pradhan Mantri Awas Yojana, 4 crore people were provided with houses. The government distributed gas cylinders to 12 crore people, facilitated tap water access for 14 crore families, and extended financial assistance of ₹6000 per year to 11 crore farmers.

Union Home Minister Shri Amit Shah highlighted that **under the leadership of Prime Minister Shri Narendra Modi, the government provided free-of-cost Covid-19 vaccines to the citizens and swiftly issued vaccination certificates.** A commendable achievement was reaching over 130 crore people with more than 200 crore vaccine doses, effectively contributing to making India Covid-free. Additionally, **the Modi government demonstrated global leadership by supplying vaccines to over 100 countries, establishing India as a key player in global health and earning the recognition of 'Vishwa Mintra'.**

Shri Amit Shah highlighted that **under the leadership of Prime Minister Narendra Modi, the government has set ambitious goals for the future. By 2030, India aims to become the world's third-largest economy. It plans to establish a space station by 2035, host the Olympics in 2036, and send Indian astronauts to the Moon by 2040.**

Union Home and Cooperation Minister Shri Amit Shah highlighted that **while Prime Minister Shri Narendra Modi aspires to launch Chandrayaan to the moon, on the other side, Sonia Gandhi seems to be focused on launching Rahul Gandhi for the 20th time.** Shri Amit Shah humorously referred to the previous attempts, mentioning that **the 'Rahul Yan' has been launched 19 times in the past, but each time it has faced failure.** Shri Shah **took a dig at the Mahavikas Aghadi, likening it to a three-wheeler auto with all three wheels punctured,** implying that their government is incapable of developing Maharashtra. Shri Shah stated that Prime Minister Shri Narendra Modi has inaugurated numerous higher education institutions for the youth. Under the Skill India Mission, a remarkable 1 crore 40 lakh youth have been trained. Significant increase in the number of IIT seats, from 10 thousand to 15 thousand and established over 1 lakh startups.

Shri Amit Shah emphasized that the youth have a crucial decision to make between two options, **at one side the INDI alliance, dedicated to the welfare of their sons, daughters, and nephews. On the other side the NDA, an alliance of patriots led by the respected Prime Minister Shri Narendra Modi.** With a vision to create a great India, Prime Minister Shri Narendra Modi has already presented a glimpse of it during the G-20 event. Shri Shah called upon them, along with their families, to actively participate in the upcoming elections. Shri Amit Shah urged them to vote in favor of the BJP, **aiming for more than 400 seats nationally and over 45 seats in Maharashtra.** The ultimate goal is to **secure Shri Narendra Modi's leadership as the Prime Minister for the third consecutive term, working towards building a stronger and prosperous India.**
