Hon'ble Union Home and Cooperation Minister and Senior BJP Leader Shri Amit Shah addressed the 'Social Media Warriors Meet' in Secunderabad, Telangana on Tuesday. During the event, OBC Morcha National President Shri K Laxman, Telangana BJP President Shri G Kishan Reddy, BJP National IT Head Shri Amit Malviya, Shri Etela Rajender, Shri Prabhakar, Shri Kasam Venkateshwarlu, Shri Maheshwar Reddy, Shri B.B. Patil, Shri Prakash Babu, Shri Bharath Reddy, and other leaders were present. Union Home Minister Shri Amit Shah urged BJP karyakartas to spread the party's agenda among Telangana's youth, aiming for 12 seats in the state and 400 seats for NDA in the upcoming Lok Sabha elections. Shri Shah highlighted BJP's manifesto promises fulfilled under Hon'ble Prime Minister Shri Narendra Modi. **Shri Shah emphasized that Congress opposed the CAA but PM Shri Narendra Modi implemented it and granted Indian citizenship to persecuted minorities from Pakistan, Bangladesh, and Afghanistan.** Shri Amit Shah criticized Congress and BRS for corruption and dynastic politics and highlighted the developmental work undertaken in the last 10 years by the Modi government.

Union Home Minister Shri Amit Shah stated that our manifesto's first page included promises like the **construction of the Ram Mandir in Ayodhya, abrogation of Article 370, Triple Talaq, and 33% reservation in Legislative Assemblies** and the Lok Sabha. Under Prime Minister Shri Narendra Modi's leadership, all these promises were fulfilled. Shri Shah stated that along with these promises, we also talked about introducing **The Citizenship (Amendment) Act (CAA)**. **We promised to bring the CAA to grant citizenship to persecuted religious minorities from Pakistan, Bangladesh, and Afghanistan.** This aligns with the vision of the framers of the Indian Constitution. Despite that, Congress kept rebelling against it due to their appeasement and vote bank politics. However, **PM Shri Narendra Modi has respected the culture, language, religion, and women of those persecuted minorities by providing them with Indian citizenship.** **Shri Shah emphasized that every refugee from yesterday now has equal rights in the country.**

Union Home Minister Shri Amit Shah emphasized that in a few days, the announcement of the Lok Sabha elections is going to take place, and the voters of India will decide which party will govern the country for the next five years. **In this era, the importance of campaigners going door to door is as crucial as that of those who spread messages through social media.** The people of the country have decided that they will make Shri Narendra Modi the Prime Minister for the third time. Whether it's the youth, women, the poor, or farmers, all sections are praising Shri Narendra Modi. Shri Shah urged the public to contribute and set a goal for the BJP to win more than 12 seats in the state to accomplish the goal of **'400 Paar'**.

Shri Amit Shah conveyed that in the last 10 years, Prime Minister Shri Narendra Modi has worked to provide political stability to the country, ending the politics of **'Aaya Ram-Gaya Ram'** and leading a government with a full majority under leadership for a decade. Shri Narendra Modi has provided **corruption-free and welfare-oriented governance** in the last 10 years. When the BJP came to power, India's economy was ranked 11th, which is now seen at the 5th position. Shri Shah noted that it is 'Modi guarantees' that if he becomes PM for the third time, he will elevate the country's economy to the 3rd position under his leadership. Today, **India holds the top position in smart data consumption and fintech, ranks second in mobile manufacturing, and is a significant player in aviation matters.** Additionally, **India achieved the historic milestone of being the first country to reach the southern pole of the moon.**

Union Home and Cooperation Minister Shri Amit Shah highlighted that previously, the affordability of smartphones and data hindered social media usage. However, **now everyone has affordable smartphones, a result of 'Make in India,' and inexpensive data, made possible by Hon'ble PM Shri Narendra Modi's digital revolution.** Shri Shah highlighted that the BJP is contending against three parties—**Congress, BRS, and AIMIM.** Despite their differences, these parties share a common agenda. **The people of Telangana must choose BJP and PM Shri Narendra Modi over these dynastic and corrupt parties, as only BJP can drive the development of Telangana.**

Shri Amit Shah pointed out that the Congress party was embroiled in numerous scams, including the Coal Scam, Commonwealth Scam, 2G spectrum case, AgustaWestland Scam, Bofors Scam, Saradha Chit-fund scam, Himachal Apple Fraud, INX Media case, Aircel Scam, Land for Job scam, JKCA scam, Submarine scam, Maruti scam, and many more, amounting to a staggering 12 lakh crore. Shri Shah highlighted that the KCR's Bharat Rashtra Samithi, which came to power under the guise of Telugu pride, engaged in scams worth crores. Shri Amit Shah asserted that **both Congress and BRS are corrupt parties and will hinder the development of Telangana.** Shri Shah emphasized that **those aspiring to make their sons and daughters PM and CM would never genuinely care about the people and their children, and will never work for the welfare of Telangana.**

Union Home Minister Amit Shah highlighted that **Shri Narendra Modi was born in a poor household, in a family of a tea seller, and today, he has become the most popular leader in the world. For 23 years, Shri Narendra Modi has not taken a single day off, working only for the welfare of the poor.** In his political career, **Shri Narendra Modi has been both a Chief Minister and a Prime Minister, but no one has been able to point a finger at him.** There hasn't been a single allegation of corruption against him. **Shri Narendra Modi has dedicated his entire life to the welfare of the poor and has spent his entire life in the continuous service of the nation.** On the other hand, **there are leaders like Rahul Gandhi, who takes 45 days off and travels abroad.** Shri Amit Shah asserted that within their tenure, **the Congress government spent 2 lakh crores for united Andhra Pradesh. Shri Narendra Modi, therefore spent 2 lakh 42 thousand crores for Telangana.** Along with this, the government of Shri Narendra Modi has undertaken the work of providing nearly 4 lakh crore for roads, airports, and several universities.

Shri Amit Shah highlighted that **the Congress party lacks a history of past performance and a track record.** When questioned about why 60 crore people were without bank accounts for 70 years, the party failed to provide an answer. However, Shri Narendra Modi has addressed all these issues in the past 10 years. Presently, **60 crore people have bank accounts, 13 cr have access to gas cylinders, 14 cr have access to tap water, 3 cr have been provided homes, and 60 crore people receive free grains per person per month.** Additionally, Shri Narendra Modi has ensured free healthcare expenses for the poor up to 5 lakhs.

Union Home and Cooperation Minister Shri Amit Shah stated that **Rahul Gandhi used to make jokes even during COVID-19 and referred to the vaccine as the 'Modi Vaccine', but upon Shri Narendra Modi's appeal, the public took the vaccine, and today, the country has emerged safely from Corona. When the Congress government was in power, terrorists from Pakistan would infiltrate and carry out bomb blasts almost every day, while Manmohan Singh remained silent.** They also carried out attacks in Uri and Pulwama, forgetting that now India's Prime Minister is Shri Narendra Modi. Within just 10 days, surgical strikes and airstrikes were conducted, cleansing terrorists from their homes. Shri Narendra Modi has worked to secure the country's borders and eliminate terrorism and Naxalism.

Shri Shah emphasized that the **Congress party lacks both a track record and a future agenda, whereas the Bharatiya Janata Party has a track record of 10 years and a future agenda of 25 years,** which has been determined by Shri Narendra Modi. The citizens of the country, especially the youth, have been urged to make India a world leader by the centenary of its independence on August 15, 2047. Under every sector, India will be at the forefront globally, and will be **'Atmanirbhar'**, and a fully developed nation.

Union Home Minister Shri Amit Shah emphasized that **while the 'Ghamandia Alliance' and BRS focus on promoting their family members, PM Shri Narendra Modi's BJP is dedicated to making India a 'Vishwaguru'.** Shri Shah urged party karyakartas to disseminate BJP's agenda and policies among **Telangana's youth, aiming to secure 12 seats for the BJP in the state, along with achieving 400 seats for NDA in the upcoming Lok Sabha elections.**
