\*\*\*\*\*

**BRS, Congress, and Owaisi want to reintroduce triple talaq**

\*\*\*\*\*

\*\*\*\*\*

\*\*\*\*\*

**Ravindra Reddy promised to give farmers ₹15,000 annually, agricultural laborers ₹12,000, and students ₹5 lakh each year, but he did not fulfill this promise**

Hon'ble Union Home Minister and Minister of Cooperation Shri Amit Shah addressed a public meeting in Chevella and Nagarkurnool, Telangana on Saturday and praised Prime Minister Shri Narendra Modi's welfare initiatives, also criticized the INDI Alliance for lacking a Prime Minister candidate and alleged corruption. During the event Gulbarga MP Dr Umesh Jadhav, BJP Lok Sabha candidate from Chevella Dr Konda Vishweshvar Reddy and other leaders were present.

Union Home Minister and Minister of Cooperation commenced his address by seeking the blessings of *Chirkur Bala Ji Mandir* and paid homage to Konda Venkata Ranga Reddy. The name of Ranga Reddy district is derived from Shri Konda Venkata Ranga Reddy, and Dr. Konda Vishweshvar Reddy is from the same family. The 2024 Lok Sabha election presents two distinct paths: one led by Prime Minister Shri Narendra Modi, rallying under his leadership, and the other, the INDI alliance, advancing under the leadership of Rahul Gandhi from the

INC. On one side, there's the **Congress party and its associates, allegedly embroiled in corruption scandals amounting to 12 lakh crores**. Conversely, **Prime Minister Shri Narendra Modi, despite serving as Chief Minister and Prime Minister for 23 years, has remained untainted by even the slightest hint of corruption**. While Rahul Gandhi indulges in holidaying in Thailand and Bangkok as temperatures rise, **Shri Narendra Modi dedicates his Diwali to celebrating with our soldiers at the border**, foregoing his own holiday to stand in solidarity with them. On one side, there's **Rahul Gandhi, born with a silver spoon** in his mouth, while on the other, there's our leader Shri Narendra Modi, born into a modest household where selling tea was the family's livelihood. The **INDI alliance stands accused of engaging in politics driven by appeasement, while the Bharatiya Janata Party speaks of sacrificing for the nation's greater good**. The choice between these two paths lies in your hands.

Shri Shah emphasized that on this day in 1998, former Prime Minister Bharat Ratna Shri Atal Bihari Vajpayee conducted **nuclear tests in Pokhran**, propelling India into the realm of nuclear powers. However, **leaders of the Congress Party demand evidence of surgical and air strikes**, thereby showing disrespect to the nation's armed forces. He asked the people whether India needs a Prime Minister who kept Article 370 intact for decades or a Prime Minister who abolished it and brought prosperity to Kashmir. Does India need a Prime Minister who fears taking action against terrorism, or one who knows how to respond? The **Congress Party, due to appeasement, had allowed terrorism to thrive**. However, **Hon'ble Prime Minister Shri Narendra Modi has successfully eliminated terrorism and Naxalism from the country**. The Congress Party left the issue of the Ram Mandir unresolved for 70 years. However, within five years of Shri Narendra Modi's second term as Prime Minister, a decision was made, a *Bhoomi Poojan* was held, and today, the *Bhavya Ram Mandir* has been constructed.

Union Home Minister and Minister of Cooperation stated that **invitations for "Pran Pratishtha" were sent to party leaders like Mallikarjun Kharge, Rahul Gandhi, and Priyanka Gandhi Vadra, but they didn't attend "Pran Pratishtha" because they fear losing their vote banks, which are known to all, including those of the Congress and the Majlis**. Prime Minister Shri Narendra Modi not only initiated the construction of the Ram Mandir but also undertook the reconstruction of the Kashi Vishwanath Temple, the renovation of the Mahakal Temple, and the restoration of the Somnath Temple. The Congress party will never allow development in Telangana. The BRS and Congress are two sides of the same coin. If you want to remove Congress, BRS cannot do it; only the BJP can remove Congress and the Majlis. Congress is spreading rumors that if Prime Minister Shri Narendra Modi gets "400 Paar" seats, he will abolish reservations. Revanth Garu is spreading rumors. **The people have given Prime Minister Shri Narendra Modi a full majority for 10 years, and the BJP has never removed reservations**. But questioning the opposition, by providing minority reservations to Muslims, the reservations of SC, ST, OBC are cut off. If Ravnth Garu has the courage, tell the people of Telangana whether you will abolish Muslim reservations. If people elect Shri Reddy, BJP will abolish Muslim reservations.

Shri Shah stated that Congress wants to win elections based on lies. My Telangana videos were morphed, edited, and presented falsely; Revanth Garu has falsely accused me. These are those people who win elections based on lies. **When Telangana was divided, it was a revenue surplus state. First, the BRS (previously named as TRS) and then the Congress party had to pay Telangana ₹80,000 crore annually, meaning a debt of ₹16 lakh crore. Telangana**

was a revenue surplus state, but today it has been burdened with a debt of ₹16 lakh crore. **The people of Chevella can tell whether any part of the ₹16 lakh crore has reached their villages.** The BRS and Congress leaders have devoured ₹16 lakh crore of Telangana's people. Thanks to **Prime Minister Shri Narendra Modi's special exemption under the FRBM Act, Telangana received ₹9,000 crore; otherwise, the people of Telangana would not have received even their salaries.** The developmental strides made by the Modi government in Nagarkurnool. This includes the construction of a National Highway from Kalvakurthi to Nagarkurnool valued at Rs 820 crore, the establishment of the Somasila Cable Station costing Rs 1100 crore, the construction of the Nilambur Bridge in Telangana, and various initiatives aimed at enhancing tourist attractions in Achampet.

Union Home Minister and Minister of Cooperation stated that **Congress and BRS are turning small villages into municipalities without any infrastructure. Rahul Gandhi, Revanth Reddy, and Rahul Gandhi together have introduced "RR Tax," making it a cash cow for Telangana's Congress.** Telangana's funds are being drained to Delhi's treasury. The Congress party, BRS, and Owaisi are all masters of corruption. They opposed the Ram Navami procession, canceled the Hyderabad Liberation Day, and opposed the CAA and UCC while advocating for the reintroduction of triple talaq. **Despite being named the Palamuru-Rangareddy Lift Irrigation Scheme, it remains incomplete, designed with flaws and a focus on contractors rather than farmers, turning it into a den of corruption like Kaleshwaram.**

Shri Shah stated that Congress National President Mallikarjun Kharge questions the relevance of Kashmir to states like Rajasthan and Telangana, unaware that the people of Telangana, including Bhongir, stand ready to sacrifice for Kashmir. Prime Minister Shri Narendra Modi, by repealing Article 370, solidified Kashmir's place as an integral part of India. **Congress, BRS, and Owaisi advocate for the reintroduction of triple talaq. While Congress fails to safeguard the nation or enhance its global standing through initiatives like G20 summits or lunar missions, it's Prime Minister Shri Narendra Modi who earns respect for India on the world stage.**

Union Home Minister and Minister of Cooperation stated that **the Madiga community faces injustice in reservations, and the BJP will ensure justice without injustice to the Mala community. Under Prime Minister Shri Narendra Modi's leadership, 2,500 km of national highways have been built, along with 350 km regional ring road costing ₹2,000 crores, facilitating Hyderabad's development.** The second phase of the ₹1,100 crore Multi-Model Transport, benefiting Chevella the most, has been initiated. Vande Bharat has started, and railway projects worth ₹26,000 crores have been finalized. New railway stations with a budget of 1000 crores are being built in Secunderabad and Cherlapally, along with 39 others, ensuring equal access to rail facilities in Chevella. All these initiatives have been under Prime Minister Shri Narendra Modi's leadership. AIIMS has been established in Bibi Nagar, and a 200-crore investment has been made in the Smart City project. The construction of 31 lakh toilets and housing for 2.2 lakh people has been completed, with 5 kg of free grains provided to all poor families by PM Shri Narendra Modi ji. The ₹2,200 crore Hassan-Cherlapally LPG pipeline has been initiated, along with the foundation stone for the Krishnapatnam-Hyderabad project with 2000 crores. **The revival of Ramagundam Fertilizers and Chemicals Ltd with ₹6,300 crores and the establishment of the Haldi Board have been done. The establishment of Sammakka Sarakka Central Tribal University in Mulugu, under the PRASAD scheme, the first**

stop for the bullet train in Chevella in Vikarabad, and the provision of full health coverage to 8 lakh poor in Chevella under Ayushman Bharat, all under the leadership of Prime Minister Shri Narendra Modi.

Shri Shah stated that under **Ayushman Bharat, free treatment of up to 5 lakh rupees is being provided to 8 lakh economically disadvantaged individuals in Chevella.** Additionally, the development of a 500-bed ESI hospital for health care in Rangareddy is underway, and 80,000 poor mothers will receive gas cylinders. AIIMS has been established in BIBI Nagar stated that imagine if the INDI alliance were to gain a majority, who would become their Prime Minister? The **INDI alliance doesn't even have a candidate for Prime Minister.** Responding to a journalist's question, the INDI alliance responded that they would take turns annually. This is not how a country operates. The alliance that plans to rotate the Prime Minister ship every year was asked, "Who will save India if there's a pandemic like COVID-19? Who will strengthen Kashmir and end terrorism? Who will lead the G20?" The INDI alliance doesn't have any Prime Ministerial candidate. **Under the leadership of Shri Narendra Modi, India hosted the G20 summit and sent Chandrayan to the moon.** He has propelled India to become the **world's fifth-largest economy** and **if India can progress further, it's only possible under the leadership of our leader, Shri Narendra Modi.**

Union Home Minister and Minister of Cooperation stated that **the leader of the Ghamandia alliance, Rahul Baba, commenced the election campaign with the Bharat Jodo Yatra. However, after June 4, Congress Dhundho Yatra. Three phases of voting have concluded nationwide, with Prime Minister Shri Narendra Modi securing over 190 seats and making significant progress towards "400 Paar" seats in the fourth phase.** The influence of Congress has diminished, as their guarantees resemble Chinese promises that are never kept. Rahul Gandhi pledged to waive loans up to ₹2 lakh for farmers in the Telangana Assembly elections, provide ₹15 thousand annually to farmers, ₹12 thousand annually to laborers, a ₹500 bonus on rice and wheat purchases, and ₹5 lakh to students. However, promises like offering unsecured loans up to ₹1,000, providing free scooters to girl students, and establishing international schools in every tehsil remain unfulfilled. **Congress consistently fails to honor its commitments and is perceived as an anti-tribal, Dalit, deprived, backward class and OBC party.**

Shri Shah stated that the Congress has often disrespected Baba Saheb, but the **BJP government appointed a Dalit community member as the President. During the Sonia-Manmohan era, the budget for Dalits was only ₹41,000 crore, but Modi ji increased it to ₹1,85,000 crore. Prime Minister Shri Narendra Modi has declared Baba Saheb's birthday, April 14th, as National Harmony Day and November 26th as Constitution Day.** The Bharatiya Janata Party has also constructed a memorial of Baba Saheb in London, established Deekshabhoomi in Nagpur, designated Baba Saheb's place of death as a Mahaparinirvana site in Delhi, and built Chaitya Bhoomi where Baba Saheb was cremated. He urged the people to vote for the Lotus symbol, aiming to win over 400 seats and to make Shri Narendra Modi the Prime Minister again by blooming the lotus on more than ten seats in Telangana.
