Salient Points of speech of Hon'ble Union Home Minister & Minister of Cooperation Shri Amit Shah while addressing public rallies in Jhansi and Banda, Uttar Pradesh

Bundelkhand has a history of fighting against the Mughals and the British. Now, it is fighting a decisive battle against its own internal challenges, akin to fighting against the native British

Family-based parties prioritize the career advancement of their children, whereas Hon'ble Prime Minister Shri Narendra Modi ji is dedicated to building a bright future for the youth of the nation

In the past, Bundelkhand was known for producing only indigenous pistols. However, today, the region boasts the production of cannon balls for the army in the Defense Park of Bundelkhand

Under the Modi government, Bundelkhand will see the emergence of industrialists, not bahubalis

Those who seek to divide the nation between North and South should take heed: as long as Hon'ble PM Shri Narendra Modi ji is there, no one can divide the country

Those who delayed the construction of the Ram Mandir for 70 years, staining the 'Saryu' river with blood, are now seeking votes from devotees of Bhagwan Ram

Hon'ble Union Home Minister & Minister of Cooperation and Senior BJP leader Shri Amit Shah addressed a public meeting in Jhansi and Banda, Uttar Pradesh on Saturday. Shri Amit Shah criticized the Congress and Samajwadi Party for disrupting the law-and-order development and underscored Hon'ble Prime Minister Shri Narendra Modi ji's welfare schemes. During the event, Union Minister and BJP Lok Sabha candidate from Agra Shri SP Singh Baghel, BJP Lok Sabha candidate from Banda Shri R. K. Singh, BJP Lok Sabha Candidate from Jhansi Shri Anurag Sharma and other leaders were present.

Union Home Minister began by paying reverence to the land of Bundelkhand, saying and sincerely bowing to *Dashawtar Vishnu Mandir, Ram Janki Mandir, and Mulrli*

Manohar Mandir. He expressed his respect by remembering the sacrifices of *Maharani Jhansi and Jalkari Bai* on this valiant land. **Bundelkhand fought against the Mughals and the British, and now it is time to fight against the "Desi Angrez" in our country.** Shri Shah noted that **the four phases of elections have concluded, and Hon'ble Prime Minister Shri Narendra Modi ji is moving towards his third century with 270 seats.** Rahul Gandhi's INDI Alliance has been wiped out, making it certain that Hon'ble Shri Narendra Modi ji will become Prime Minister for the third time. He emphasized that when people press the "lotus button" next to Shri Anurag Sharma's name, **their votes will directly support Hon'ble Prime Minister Shri Narendra Modi ji, who will then lead the nation once again and elevate its economy to the third-largest in the world.**

Shri Shah contrasted the two competing factions: on one side is the INDI Alliance led by Rahul Gandhi, responsible for 12 lakh crore scams, and on the other side is Hon'ble Prime Minister Shri Narendra Modi ji, who has served as both Chief Minister and Prime Minister for 23 years without any corruption allegations against him. **The stark differences, mentioning, on one side are Rahul Gandhi and Akhilesh Yadav, who were born with a silver spoon, and on the other side is Shri Narendra Modi ji, who was born in a tea seller's home.** It's almost certain that on June 4th, Hon'ble Prime Minister Shri Narendra Modi ji will be re-elected. But if by mistake, the government is formed by the INDI Alliance, who will be their Prime Minister? When a journalist asked this question, INDI alliance leaders replied that they will take turns being Prime Minister every five years. To run the country effectively, we need a strong Prime Minister with a 56-inch chest, like our Hon'ble Shri Narendra Modi ji. Modi has provided 33% reservation to women.

Union Home Minister also highlighted the differing attitudes and commitments, stating, on one side is Rahul Gandhi, who goes to Bangkok, Thailand at the slightest rise in temperature, and on the other side is Hon'ble Prime Minister Shri Narendra Modi ji, who spends time with soldiers on the border on Diwali without taking a holiday. **Hon'ble PM Shri Narendra Modi ji is a dedicated leader who spends time with soldiers on the border even on Diwali, unlike Rahul Gandhi.**

Shri Shah also highlighted, on one side is the Samajwadi Party that fired upon Ram devotees, and on the other side is Hon'ble Shri Narendra Modi ji who built the Ram Mandir. **For 70 years, the Congress, Samajwadi Party, and Bahujan Samaj Party obstructed the construction of the Ram Mandir.** Samajwadi Party, in particular, fired upon *Karsevaks*, burned them, and threw them into the 'Saryu' river. However, **when the people elected Shri Narendra Modi ji as Prime Minister for the second time, he not only won the case in five years but also performed the "Bhoomi Poojan" and on January 22, completed the "Pran Pratishtha" with the chant of "Jai Shree Ram."** He mentioned that the entire world was immersed in the Ram festival. Shri Shah pointed out that **despite invitations, Akhilesh Yadav, Dimple Yadav, Rahul Gandhi, and Priyanka Gandhi did not attend the ceremony because they feared losing their vote**

bank. INDI Alliance's vote bank is not the people of India, but the infiltrators from Bangladesh. The people will not forgive those who did not attend the "*Pran Pratishtha*" of Ram.

Union Home Minister said that **Congress-Samajwadi Party's vote bank greed has reached such an extent that Congress leader Mani Shankar Aiyar suggested respecting Pakistan because they have atomic bombs and even proposed giving up PoK.** Congress leaders believe in conceding PoK out of fear of atomic bombs. Shri Shah declared that **under the government of Hon'ble PM Shri Narendra Modi ji, they do not fear atomic bombs. He proclaimed that PoK was, is, and will remain a part of India, and they will reclaim it. Congress party of wanting to divide the country, with their leaders suggesting a split between North and South India. However, under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, there will be no division of India.**

Shri Shah stated that **in ten years, Hon'ble Prime Minister Shri Narendra Modi ji has worked for the welfare of the poor.** He has provided gas connections to more than 10 crore women, given Nal se Jal to 14 crore households, built more than 10 crore toilets, provided electricity to every household, giving 5 kilograms of grains per person per month, and is personally taking care of the health expenses of people up to 5 lakhs.

Shri Shah stated that **Hon'ble Prime Minister Shri Narendra Modi ji protected 130 crore people of the country by providing them with COVID-19 vaccines. During that time, Rahul Gandhi and Akhilesh Yadav were saying, "Modi Teeka," urging people not to get vaccinated.** However, it is fortunate that the people of India did not listen to them and got vaccinated. When Rahul Gandhi realized that the entire country had been vaccinated, he secretly got vaccinated at night with his sister Priyanka Gandhi. **Rahul Gandhi, saying he should be ashamed of politicizing even a pandemic like COVID-19 and playing with people's lives, such leaders can never think about the welfare of the people.**

Union Home Minister contrasted **the approach of Hon'ble PM Shri Narendra Modi ji, who considers the entire nation as his family, with that of the dynastic parties.** Lalu Yadav and Uddhav Thackeray want to make their sons Chief Ministers, Sharad Pawar wants to make his daughter Chief Minister, and Sonia Gandhi wants to make her son Prime Minister. **Those who are in politics for the sake of their children and relatives cannot work for the welfare of the youth in Lalitpur, only Hon'ble Shri Narendra Modi ji can secure the future of Lalitpur's youth.**

Shri Shah highlighted that **Hon'ble PM Shri Narendra Modi ji has worked to free the country from terrorism.** He pointed out that during the ten-year rule of the Congress government under Sonia Gandhi and Manmohan Singh, infiltrators frequently entered the country and carried out bomb blasts, and no one spoke against it because they

feared losing their vote bank. However, when **Hon'ble Shri Narendra Modi ji became Prime Minister, and Pakistan attacked Pulwama and Uri, he responded within ten days by conducting surgical strikes and air strikes to eliminate the terrorists.** Initially, under the rule of the Samajwadi Party in Bundelkhand, there was a reign of big thugs, gangs operated, crimes occurred, and extortion was rampant, leading to unrest throughout Uttar Pradesh. In the coming times, the Ken-Betwa project, worth 35,000 crores, will provide irrigation facilities to everyone, a project that Modi Ji will ensure as Prime Minister for the third time.

Union Home Minister highlighted that after **Hon'ble Shri Narendra Modi ji became Prime Minister, Shri Yogi Adityanath became the Chief Minister of Uttar Pradesh, initiating the state's development. There was a time when illicit firearms were prevalent in Uttar Pradesh, but Hon;ble Prime Minister Shri Narendra Modi ji established a Defence Park in Bundelkhand, where now artillery shells are manufactured. Any mistake made by Pakistan will now be met with retaliation from the Bundelkhandi artillery, ensuring the clearance of Pakistan.** Throughout Uttar Pradesh, vehicles are being manufactured today, medical device parks are being established, and slaughterhouses are being replaced with cow shelters. **In Hardoi, pistols are being manufactured, AK-47 rifles in Amethi, and efforts are underway to produce BrahMos missiles in Lucknow.**

Shri Shah noted that **previously, electricity was available only 24 hours during Ramadan and Eid in Uttar Pradesh. However, under the BJP government, efforts have been made to provide electricity for 20-24 hours throughout the state.** The survey for the 100 km long Jhansi Link Express has been completed, and the Chitrakoot-Etawah 300 km long Bundelkhand Expressway will be connected to Jhansi. Additionally, a new airport is planned for Jhansi, and a bridge and road costing 108 crores between Jhansi and Gwalior have been approved.

Union Home Minister mentioned that **within the framework of the Global Investment Summit, proposals for 321 investments have been received, promising an investment of Rs. 2 lakh crores in Bundelkhand.** Shri Anurag Sharma has brought in 1,000 crores under the Smart City Mission, and approval has been granted for a drug park worth 1,600 crores. The Modi-led government will work towards returning the money of those stuck in Sahara. Development initiatives are currently in progress at Jhansi Railway Station. Shri R.K. Singh has done a lot of development work for Banda; now the passport office work has also started in Banda. **The Kalinjar festival has been recognized, Ram Ghat has been beautified, 1 lakh 20 thousand homes have been provided to the poor, 2 lakh 45 thousand mothers have been provided with gas, water has reached 2 lakh 70 thousand households, 3 lakh 46 thousand toilets have been built, and 50 thousand farmers are receiving 6 thousand rupees annually.** The **Modi government has facilitated Uttar Pradesh with 14 expressways, implemented metro services in 12 cities, and completed the construction of 9 airports, with 12**

more underway. **Sixty medical colleges have been established in Uttar Pradesh**, and construction is ongoing for an additional 13 colleges.

Shri Shah stated that **Modi government has been actively engaged in fostering the overall development of Uttar Pradesh**. Previously, migration from Bundelkhand was common, but in the third term of the Modi government, entrepreneurs will emerge from this region, leaving their imprint nationwide. **This election revolves around advancing and safeguarding the nation, preserving its diverse religious and cultural heritage, elevating the country's stature**, and addressing the needs of Bundelkhand. Shri Shah urged the public to ensure that local BJP candidates achieve significant victories, thereby laying the groundwork for the Modi government to secure its third consecutive term.
