Salient Points of the Speech given by Union Home Minister & Minister of Cooperation Shri Amit Shah while addressing Public Meetings in Dumka, Madhupur and Dhanwar, Jharkhand

On November 23, the BJP will form the government in Jharkhand, and the Congress-JMM-RJD alliance's security deposit will be forfeited.

Hemant Soren, who is making ration cards and voter cards for infiltrators in Jharkhand?

Hemant Soren is responsible for the decline in the population of tribals in Jharkhand.

Hemant Soren cannot protect the "Roti, Beti, and Maati" of Jharkhand. BJP will protect them and remove the infiltrators one by one.

The Uniform Civil Code (UCC) will be implemented in Jharkhand, but tribals will be exempt from it.

Infiltrators are depriving Jharkhand's youth of jobs, marrying tribal daughters as second, third, or fourth wives, and seizing their land.

Once the BJP government is formed, every rupee looted by the JMM and Congress governments will be reclaimed.

Hon'ble Prime Minister Shri Narendra Modi ji has connected the vision of protecting Dharti Aaba's 'Jal, Jungle and Jameen' with security, respect, and equitable development.

Union Home Minister & Minister of Cooperation and Senior BJP Leader Shri Amit Shah addressed public rallies in Dumka, Madhupur and Dhanwar, Jharkhand, on Saturday. Shri Shah condemned the JMM-Congress-RJD alliance government in Jharkhand for its neglect of tribal rights and its obstruction of the state's progress. He emphasized the

developmental achievements of the Bharatiya Janata Party and called on the people to vote for a BJP government that would put an end to infiltration and guide Jharkhand toward sustained growth. During the event, Jharkhand BJP's working president Shri Ravindra Rai, Union Minister Smt. Annapurna Devi, Chhattisgarh Deputy Chief Minister Shri Vijay Sharma, MP Shri Nishikant Dubey, BJP MP Shri Vivek Thakur, BJP State Vice President and BJP Senior Leader Shri Bal Mukund Sahay, BJP Former MP and candidate from Dumka Assembly Shri Sunil Soren, BJP Candidate from Jama Assembly Shri Suresh Murmu, BJP Candidate from Madhupur Assembly Shri Ganga Narayan, Dhanwar candidate Shri Babulal Marandi among others were present.

Shri Shah commenced his address by honoring the sacred land of Jharkhand and *Baba Vasuki Dham*. Shri Shah paid tribute to *Dharti Aaba Bhagwan* Birsa Munda, *Baba* Tilka Manjhi, Telanga Kharia, *Shaheed* Budhu Bhagat, Poto Ho, and Devi Phulo Jhano. He stated that **the sacred land of Santhal and its struggle paved the way for the creation of Jharkhand**. During the fight for Jharkhand, the Congress government responded by firing bullets and using lathi charges against the people of Santhal. **The Congress denied Jharkhand its rightful demands and today, in his quest to become Chief Minister, Hemant Soren has allied himself with the Congress**. He has forgotten the sacrifices of hundreds of youths who gave their lives and endured violence, and now, for the sake of power, he has allied with Congress and RJD. **Former Prime Minister and Bharat Ratna awardee, Shri Atal Bihari Vajpayee, laid the foundation for the creation of Jharkhand. At the same time, the current Hon'ble Prime Minister, Shri Narendra Modi Ji, is dedicated to driving its progress and development.**

Union Home Minister stated that the elections in Jharkhand are not just about selecting a MLA or changing the government. **This elections are not merely about removing Hemant Soren and making the BJP Chief Minister, but rather an opportunity to shape the future of Jharkhand's youth, women, tribals, and backward classes**. Change is necessary in Jharkhand to end corruption, curb infiltration, and stop the increasing atrocities on women. **It is also essential for providing better employment opportunities for the youth of Jharkhand. This election is about empowering every section of Jharkhand and laying the foundation for a bright future.**

Shri Shah pointed out that yesterday marked the birth anniversary of *Bhagwan* Birsa Munda. **A statue of Bhagwan Birsa Munda was unveiled at Sarai Kale Khan Chowk in Delhi**. Hemant Soren has opposed this, questioning the impact of merely installing a statue. However, he should recognize the efforts of Hon'ble Prime Minister Shri Narendra Modi Ji in advancing the welfare of tribal community. On November 15, 2021, the observance of **Adivasi Gaurav Divas** was initiated, and **under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, a committee is being set up to celebrate the entire**

year as Adivasi Gaurav Varsh, marking the 150th birth anniversary of *Bhagwan Birsa Munda*. While Prime Ministers from Jawaharlal Nehru to Manmohan Singh have served, they have yet to ever visit the village of Dharti Aaba. **Hon'ble Prime Minister Shri Narendra Modi ji is the only Prime Minister who has personally gone to Dharti Aaba's village to pay his respects.**

Union Home Minister stated that Hemant Soren asked the BJP what they had done for Dharti Aaba. **Dharti Aaba's vision was to protect 'Jal, Jungle, aur Zameen,' and under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, the BJP has not only preserved these but also worked to ensure their security, dignity, and inclusive development.** Under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, for the first time in the history of the country, an Adivasi has been made the President. After 75 years, he took the step of electing a poor Adivasi woman, Smt. Draupadi Murmu, as President. Additionally, **with an investment of 200 crores, 10 tribal museums have been built, dedicated to honoring the brave tribal heroes of this land.** Each museum will feature a statue of Sidhu-Kanhu. **The JMM, on the other hand, only uses the name of Adivasis to win their votes, while indulging in corruption.**

Shri Shah challenged Hemant Soren, saying that if he has the courage, he should tweet and respond to this. He pointed out that **during the UPA government, which had the support of JMM, the final budget allocated only 28,000 crore rupees for tribals and indigenous communities.** In contrast, **under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, this amount has been increased to 1 lakh 33 thousand crore rupees.** Additionally, Hon'ble Prime Minister Shri Narendra Modi ji has allocated 97,000 crore rupees for the District Mineral Fund, launched the Tribal Development Mission, worked to advance 36,000 villages, and established 708 Eklavya Tribal Residential Schools. **Hon'ble Prime Minister Shri Narendra Modi ji has launched the PVTGs Development Mission for tribal welfare and has also increased the scholarship for students to ₹75,000.**

Union Home Minister remarked that while Hemant Soren is asking the BJP for an account, the BJP has already outlined its contributions in honor of Dharti Aaba. He challenged Soren, stating that if he had the courage, he should provide an account to the Adivasi brothers and sisters of what the UPA government did for them. **The JMM, for the sake of vote bank politics, has allowed illegal immigrants to enter, which has resulted in a reduction of both tribal land and population.** Hemant Soren is responsible for the decline in the tribal population. Once the Bharatiya Janata Party forms the government in Jharkhand, it will ensure that every illegal immigrant is identified and expelled from the state. **These infiltrators not only take away job opportunities from the youth of Jharkhand but also exploit tribal women by marrying them, grabbing their land, and**

committing injustices. Hemant Soren cannot protect the "Roti, Beti, and Maati" of Jharkhand because he sees these immigrants as his vote bank.

Shri Shah pointed out that Hemant Soren questioned, what is the central government doing? There are thousands of drains, large rivers, forests, and many areas along the Bangladesh border where fencing could not be installed, which is why infiltrators cross on foot. **But when infiltrators enter villages, doesn't the Patwari or the Police Inspector know about it? Who is making their ration cards? Who is adding their names to the voter list? Who is allowing them to marry tribal daughters?** All this is happening under the Jharkhand government and is being done under the direction of Hemant Soren. **The High Court has ordered the identification and deportation of these infiltrators, but Hemant Soren is opposing this order and has filed a petition in the Supreme Court against the High Court's decision.** If Hemant Soren has the courage, he should promise to implement the High Court's order in the state. The countdown for the Hemant Soren government has begun. **After the BJP forms the government, a law will be enacted through which all encroached lands will be reclaimed and returned to their rightful owners.**

Union Home Minister stated that ₹350 crore were recovered from a Congress MP's house and ₹35 crore were found with the servant of a minister Alamgir Alam's PA. **This money, meant for Jharkhand's youth and women and sent by Hon'ble PM Shri Narendra Modi Ji, was unfortunately looted by the Jharkhand government. After the BJP forms the government in Jharkhand on November 23, all the looted money will be recovered from corrupt individuals and returned to the state treasury for the benefit of the people of Jharkhand.** 27 machines were brought in to count such a large amount of money, and yet the machines overheated during the process, but the money never seemed to end. Such corrupt individuals should be behind bars.

Shri Shah pointed out that in 2014, when Manmohan Singh left office, India's economy was ranked 11th in the world. However, under the able leadership of Hon'ble Prime Minister Shri Narendra Modi Ji, India has risen from 11th place to 5th place. **By the end of December 2027, India will be established as the 3rd largest economy in the world.** For 70 years, the Congress party delayed the construction of Ram Mandir, but **within 5 years of his second term, Hon'ble Prime Minister Shri Narendra Modi Ji not only won the case, ensured the construction of the magnificent Mandir, and conducted the 'Pran Pratishtha' of Ram Lalla.** Furthermore, under the leadership of Hon'ble PM Shri Narendra Modi Ji, the Somnath Temple is being re-embellished with gold, and the grand corridor of the Kashi Vishwanath Temple, which was destroyed by Aurangzeb, has also been built.

Union Home Minister highlighted that recently, **Congress President Mallikarjun Kharge had to advise the leaders of his party to make only those promises that can be fulfilled**, because the promises made by Congress in Karnataka, Himachal Pradesh and Telangana were not kept. **Rahul Gandhi makes promises quickly and carelessly, but then he goes abroad.** On the other hand, the **promises made by Hon'ble Prime Minister Shri Narendra Modi Ji are like firm and concrete policies that are always fulfilled**, no matter what. During the 10 years of the Sonia-Manmohan government, Jharkhand received nothing substantial. In their decade-long term, **the UPA allocated only ₹84,000 crore to the state.** In contrast, **Hon'ble Prime Minister Shri Narendra Modi Ji has allocated ₹3,90,000 crore over the 10 years from 2014 to 2024.** More than 30 lakh farmers have benefited under the PM Kisan Samman Nidhi, while 4,68,000 women have become '*Lakhpati Didi*'. 34 lakh households received water tap connections, over 2 lakh houses were provided with toilets, and 2 crore 65 lakh households received 5 kg of free food grains per person each month. Furthermore, 18 lakh houses were built and AIIMS and airports were established in Deoghar, along with an IIT in Ranchi.

Shri Shah remarked that after the formation of the government in Jharkhand **women who purchase property worth up to ₹50 lakh will pay only ₹1 as stamp duty. Additionally, Anganwadi and ASHA workers will receive a monthly honorarium of ₹15,000.** Padady will be purchased from every farmer at the rate of ₹3,100 per quintal. The BJP will send ₹2,100 to every woman's account, gas cylinders will be provided at just ₹500, and on the occasions of Diwali and Rakshabandhan, two cylinders will be given free of charge on behalf of Hon'ble Prime Minister Shri Narendra Modi Ji. After the formation of the BJP government, ₹2,000 will be provided to the youth as an unemployment allowance, a promise that has not been fulfilled by the current Jharkhand government. When the BJP forms the government, the first priority will be to ensure proper rehabilitation arrangements for the displaced people. Those involved in corruption will be sent behind bars. The BJP will also increase the Mukhiya's salary from ₹2,500 to ₹5,000. **Under PM Shri Narendra Modi Ji's leadership, Jharkhand is now Naxal-free, and by 2025, it will be completely free if any remain.** Old-age, widow, and disability pensions will rise from ₹1,500 to ₹2,100. **The tribal community must be assured that the UCC (Uniform Civil Code) will not affect them; it is merely an agenda by the INDI alliance to spread fear among the people.**

Union Home Minister stated that **Hemant Soren wants to grant reservations to Muslims, but if this happens, it will reduce the reservations for SC, ST, and OBCs. However, the people need not worry, as the INDI alliance lacks the courage to do so. As long as there is a single BJP MLA, no one will dare to take away reservation.** Shri Shah promised that over 2 lakh 85 thousand government job vacancies will be filled without any paper leaks, and in the next five years, the BJP will provide employment to 5 lakh youths. **The Congress**

party opposed the abrogation of Article 370 and talked about restoring it. But Rahul Gandhi must understand that even his fourth generation cannot restore Article 370. During the 10 years of the Sonia-Manmohan UPA government, Pakistani terrorists would carry out bomb blasts in India and easily flee. However, after Hon'ble PM Shri Narendra Modi Ji took office in 2014, decisive action was taken when the Uri and Pulwama attacks occurred. Under his leadership of Hon'ble PM Shri Narendra Modi Ji, India entered Pakistan's territory within 10 days, conducting surgical strike and air strikes to eliminate the terrorists.

Shri Shah stated that **Hon'ble Prime Minister Shri Narendra Modi has approved Rs 300 crore for Jharkhand Dham.** The pages of the constitution that the opposition leader Rahul Gandhi wave in their hands turned out to be blank. There cannot be a bigger insult to the constitution made by Baba Saheb Ambedkar. Shri Shah stated that just as electricity comes to homes from a transformer, in the same way it is the responsibility of the state government to deliver the schemes of the central government to the public. But the transformer of the JMM government has burnt and needs to be replaced. To ensure effective implementation of these schemes, it is necessary to form a BJP government in the Jharkhand.

Union Home Minister noted that **Jharkhand is one of India's most prosperous states, rich in minerals that could meet the energy needs of the entire country. Despite this, the people of Jharkhand still face employment challenges.** To address this, the people must elect a BJP government with a full majority in the state. **BJP promises to establish numerous factories within the state, ensuring that people do not have to leave their families and travel outside for work.** Shri Shah appealed to the people to vote for the 'lotus' symbol to ensure a landslide victory for the Bharatiya Janata Party and strengthen the leadership of Hon'ble Prime Minister Shri Narendra Modi Ji.
