Union Home Minister and Minister of Cooperation Shri Amit Shah distributed sanction letters to 20 lakh beneficiaries and the first installment to 10 lakh beneficiaries under Pradhan Mantri Awas Yojana 'Gramin' (Phase-2) in Pune, Maharashtra today. The event was attended by Union Minister of State for Cooperation Shri Murlidhar Mohol, Maharashtra Chief Minister Shri Devendra Fadnavis, Deputy Chief Ministers Shri Eknath Shinde and Shri Ajit Pawar, along with several other dignitaries.

In his address, Union Home Minister and Minister of Cooperation Shri Amit Shah said that it is the leadership of Prime Minister Shri Narendra Modi which has led to India witnessing for the first time, simultaneous allocation of 20 lakh homes to the beneficiaries. He said that 20 lakh houses have been allotted, and before the event concluded, Maharashtra also distributed their first installment to 10 lakh beneficiaries. He emphasized that the joint efforts of the central and state governments are turning the dream of home ownership for 20 lakh people into reality.

Shri Shah said that along with the house, beneficiaries will also receive toilets, solar panels, and soon gas cylinders, and it has been possible because of the work carried out by Prime Minister Shri Narendra Modi and Chief Minister Shri Devendra Fadnavis.

Shri Amit Shah remarked that Prime Minister Modi has set a target to make India a fully developed nation by 2047, ensuring growth of every citizen, shelter for his family, and access to basic infrastructural facilities.

He noted that under Pradhan Mantri Awas Yojana Phase-2, Maharashtra has been allotted the highest number of houses. Shri Shah said that the homes signify the realization of dreams of development and they serve as the first step toward the progress of future generations.

Union Home Minister said that by providing homes and toilets, Prime Minister Modi has safeguarded the dignity and self-respect of the poor. Under the “Housing for All” scheme, a target has been set to allocate 5 crore houses to women, backward classes, SC, ST, and other economically weaker sections by 2029, out of which 3 crore 80 lakh families have already been provided homes. He said that under the scheme, Maharashtra was initially allotted 13.50 lakh houses, which has now increased to 19.50 lakh houses, and arrangements have been made to ensure that all these houses are provided in a timely manner.

Prime Minister Modi has ensured food security for millions by providing 5 kg of free food grains per person per month for the last 10 years, home security by providing houses to 4 crore families, and electricity access by bringing light into the homes of 4 crore people.

Additionally, 13 crore toilets have been constructed to enhance the dignity of mothers, 36 crore Ayushman Bharat cards have been distributed for ensuring healthcare security, and 1 crore 'LakhpatiDidis' have been empowered, helping poor women gain self-reliance. Shri Amit Shah said that Prime Minister Modi has uplifted 25 crore people above the poverty line.

Shri Amit Shah highlighted that Prime Minister Narendra Modi has initiated several infrastructure projects for Maharashtra's development. He noted that under the leadership of Shri Devendra Fadnavis, Shri Eknath Shinde, and Shri Ajit Pawar, the government has effectively implemented all welfare schemes across Maharashtra.

He added that various irrigation projects have helped Maharashtra tackle droughts, 11 Vande Bharat trains have been launched, and under the Amrit Bharat Scheme, 128 railway stations are being redeveloped.

Shri Shah said that Metro projects in Mumbai, Pune, and Nagpur are progressing rapidly, and new airports in Shirdi and Sindhudurg are under construction. He added that the Atal Setu Trans-Harbour Link is an engineering marvel and will serve as a model worldwide. Union Home Minister said that India's largest and the world's biggest container port is being developed in Maharashtra at an estimated cost of ₹76,000 crore under the leadership of Prime Minister Modi.
