Union Home Minister and Minister of Cooperation Shri Amit Shah today unveiled the grand statue of Maharaja Agrasen, inaugurated the newly constructed ICU, and laid the foundation stone for the PG hostel in Hisar, Haryana. On this occasion, several distinguished individuals, including Haryana's Chief Minister Shri Nayab Singh Saini, were present.

In his address, Union Home Minister and Minister of Cooperation Shri Amit Shah said the land of Haryana has worked to enrich and preserve India's culture, values, and traditions since ancient times. He said, from Mahabharata time to the freedom struggle and even after independence, Haryana's contribution to the development of the country has always been far greater than that of the larger states.

Shri Amit Shah said that in this large hospital, where nearly 5 lakh people avail OPD services, 180 children graduate in medical education every year, and patients receive various types of modern medical facilities, all of this is possible due to the foundation laid by O.P. Jindal. He mentioned that today, along with the statue of Maharaja Agrasen, the newly constructed ICU has been inaugurated, and the foundation stone for the PG hostel has also been laid. He added that these initiatives represent another step towards advancing this institution.

Union Home Minister said that Maharaja Agrasen was a unique kind of ruler, and it is said that in his time, the capital had a population of 1 lakh people. Whenever a new person arrived there, they were given a brick and one rupee by every individual to help them build a house. Shri Shah said, Maharaja Agrasen paved the way for the prosperity and welfare of every individual without burdening the state. He said that Maharaja Agrasen worked to nurture the values of the entire state. Maharaja Agrasen ensured that no one in his kingdom went to bed hungry, no one lived without a roof over their head, and no one was without work. He said that these three things were guaranteed by Maharaja Agrasen through his good governance. Home Minister added that today, every individual in all the clans of the Agarwal community is an entrepreneur, dedicated to the country, serving others, and contributing to the nation's development.

Shri Amit Shah said that Prime Minister Shri Narendra Modi is also following the path shown by Maharaja Agrasen. He mentioned that during Prime Minister Modi's 10-year tenure, 25 crore people in the country have risen above the poverty line. He said that Prime Minister Modi has provided 4 crore houses, 5 kg free ration per person per month to 81 crore people, gas connections to 11 crore families and toilets to 12 crore families. He said that the first government in the country to provide toilets in every house was the Haryana Government. He added that the Modi government has provided 15 crore people with piped water, health coverage of up to 5 lakh for 60 crore people, electricity to every household, and is now working through cooperatives to provide self-employment to every household.

Union Home Minister and Minister of Cooperation said that under Prime Minister Modi's tenure, the country has seen transformative changes in various sectors over the past 10 years. He mentioned that the Modi government has taken a holistic approach to the health of the citizens. He explained that the government first provided a gas cylinder to every household, which is directly related to the health of women. Following that, yoga was popularized worldwide, then the Fit India Mission, the Nutrition Campaign, Mission Indradhanush, and the Ayushman Bharat Yojana, which

provides health coverage up to 5 lakh, were introduced. He stated that all these initiatives are related to health, and Prime Minister Modi has worked to weave them all together as a unified approach.

Shri Amit Shah said that the Modi government has made significant strides in the field of medical infrastructure. He said, the Modi government has spent 64,000 crore rupees on public health centers and community health centers, building a strong foundation for medical infrastructure. He also highlighted the establishment of 730 integrated public health labs, 4,382 block public health units, and 602 new critical care boxes over the past 10 years. He further stated that in the year 2013-14, the country's health budget was 33,000 crore rupees, which Prime Minister Modi has more than tripled, raising it to 1 lakh 33 thousand crore rupees in the 2025-26 budget.

Union Home Minister said that in 2014, there were 7 AIIMS in the country, while in 2024, there are 23 AIIMS. Similarly, in 2014, there were 387 medical colleges in the country, and today there are 766. He mentioned that the number of MBBS seats, which was 51,000 in 2014, has now increased to 1.15 lakh and an additional 85,000 seats will be added over the next 5 years. He also stated that in 2014, there were 31,000 PG seats, which have now increased to 73,000. Shri Shah assured that in the next 5 years, there will not be a single district in the country without a medical college.

Shri Amit Shah said that Haryana is the best example of politics based on principles, with like-minded people in the double-engine government. He mentioned that in previous governments, corruption in jobs was due to casteism, and jobs were obtained through bribes and recommendations. Shri Shah said that Saini government in Haryana provided 80,000 jobs to youth in a transparent manner, without bribes or recommendations. Shri Shah also pointed out that Haryana's athletes have won three times more medals in the last 10 years, Haryana is the largest exporter of Basmati rice, and one in every 10 soldiers in the army is from Haryana. He added that Haryana is the state where the highest number of 24 crops is purchased at the minimum support price (MSP). Furthermore, Haryana was the first state to give land ownership rights within the red lines (Lal Dore), ensured that no Panchayat head is illiterate, and has 50 per cent participation of women in Panchayats.

Union Home Minister and Minister of Cooperation said that between 2004 and 2014, Haryana received 41,000 crore rupees from the central government, while the Modi government has provided Haryana with 1 lakh 43 thousand crore rupees between 2014 and 2024. He added that in addition to this, infrastructure work worth 1 lakh 26 thousand crore rupees, road construction worth 72 thousand crore rupees, and railway projects worth 54 thousand crore rupees have also been carried out in Haryana.
