Union Home Minister and Minister of Cooperation Shri Amit Shah today addressed the cultural program 'Namotsav' in Ahmedabad, Gujarat, which is based on the life of Prime Minister Shri Narendra Modi Ji.

On this occasion, Union Home Minister and Minister of Cooperation said that today, through an artistic presentation, the life, duties, and principles of such a person are being described, who in just 11 years has instilled in the hearts of 140 crore Indians the confidence that by 2047, India will become the foremost in every field in the world. He said that this is possible only when that person has dedicated his entire life to paving the way for achieving this goal, conducting numerous experiments to make his efforts successful,

and building a team of millions of people across the country who agrees with that vision. Shri Shah said that the idea for creating 'Namotsav' based on the life of that person—namely, the country's Prime Minister Shri Narendra Modi Ji—emerged from this.

Shri Amit Shah said that when Prime Minister Shri Narendra Modi Ji completed 75 years of his life, many people from the country and the world suggested how to reach out to the people about this extraordinary personality, his life, and the remarkable journey of his life. He said that efforts were made to convey to the people how Prime Minister Modi Ji's life has become an inspiration for people's lives, and today this Namotsav is present before all of us as a result of those efforts.

Union Home Minister and Minister of Cooperation said that for three consecutive days, experts and other people from different sectors of society will come here and witness Namotsav. He said that this journey is the story of a child from an ordinary tea-seller's family who spent his childhood in extreme poverty, and who today has become a symbol of hope for the aspirations and expectations of 140 crore people. He said that a person who emerged from deep poverty has today been honored by 29 countries around the world with their highest civilian awards. Shri Shah said that this honor is for India's Prime Minister and for India's 140 crore people, received from 29 countries of the world. He said that when an individual is honored by 29 countries of the world, that personality inspires many people. He said that Namotsav has brought a new source of inspiration for children, youth, and social and political workers.

Shri Amit Shah said that Shri Narendra Modi Ji is a leader who has risen to prominence through his integrity and dedication. Prime Minister Modi Ji has formulated policies and implemented them with sincerity. He said that Shri Narendra Modi Ji is the only leader who has reached the highest position based on integrity, strong willpower, and a desire to work for the welfare of the people. Shri Shah said that Modi Ji represents a unique kind of leadership, from his childhood to becoming a Pracharak of the Rashtriya Swayamsevak Sangh (RSS), an organizing secretary of the Bharatiya Janata Party (BJP), and someone who has sown the seeds of a work culture in the lives of millions of workers across the country.

Union Home Minister and Minister of Cooperation said that Shri Narendra Modi Ji's life was spent in extreme poverty, but instead of bitterness, he chose to dedicate his life to the welfare of the poor and adopted the path of bringing welfare to crores of poor people. He said that Prime Minister Modi Ji has brought qualitative change in the lives of 60 crore poor people of this country. By providing homes to the poor, pure drinking water, toilets, electricity, gas cylinders, free health facilities up to 5 lakhs, and five kilos of free food grains per person per month, along with arrangements for children's education, Prime Minister Modi Ji has, in just 11 years, freed the 60 crore poor people of the country from all these concerns. Shri Shah said that in 11 years, Prime Minister Modi Ji has lifted 27 crore people of the country above the poverty line. He said that this yagya of poor welfare has transformed Shri Narendra Modi Ji, born in a poor household, into the great Narendra Modi.

Shri Amit Shah said that Shri Narendra Modi Ji took oath as the Chief Minister of Gujarat on 7 October 2001, and with this began the second phase of his life in public service. He said that on the very first day of becoming Chief Minister, Shri Narendra Modi Ji created a record that till date in the history of India, there is no such person who did not even win a sarpanch election and yet became the Chief Minister of a state. Shri Shah said that Shri Narendra Modi Ji's tenure as Chief Minister of Gujarat became an

outstanding and ideal example before the entire country of how good governance can be brought about. He said that after becoming Chief Minister of Gujarat, Shri Narendra Modi Ji, through his unique method, implemented the Jyotigram Yojana to completely eradicate the electricity problem. As a result, for the first time in India, the task of providing 24-hour electricity to all villages in Gujarat was accomplished by the country's current Prime Minister, Shri Narendra Modi Ji.

Union Home Minister and Minister of Cooperation said that in the 24 years of his public life from 7 October 2001 to 28 December 2025, Shri Narendra Modi Ji has not taken a single day off nor rested, and has worked tirelessly day and night only for the service of the people. He said that for 24 years, without a single day off and without resting even for a single day, this human being who has set out on a journey to fulfil the desire to place Mother India at the highest position, is certainly an inspiration for the adolescents, youth, and children of the entire country. He said that Shri Narendra Modi Ji does not even have a single room of his own to live in—such is the transparency of his life. Shri Shah said that the person who does not even have a single room of his own has, in the last 11 years, done the work of giving their own homes to four crore homeless people of India.
