**Assam, April 03, 2026:** Hon'ble Union Minister of Home and Cooperation Shri Amit Shah today addressed massive public rallies in Dudhnoi and Palashbari in Assam.

Shri Shah said that Congress did nothing for the welfare of the tribes and never made a tribal president. But Modi Ji made Droupadi Murmu, a tribal lady, the President of India.

During the Congress regime, the budget for tribal people was Rs. 25,000 crore, but Modi Ji increased it to Rs. 1.38 lakh crore. Modi Ji has promoted across the world the cultures, attires, food, music, and dance across the world.

If you elect the BJP government, we will form a dairy in every district of Assam and give a cow and a buffalo to every tribal family.

In Meghalaya recently, violence erupted because the infiltrators trapped innocent tribal women and married them to capture the hill council. Congress made Assam the hub of infiltrators. But if they manage to win the election, then infiltrators will enter again. The BJP will form the government in Assam by winning more than 90 seats in the Assembly elections this time.

We have already identified the infiltrators, but time fell short. Elect us for the third term and we will deport every infiltrator one by one. In Goalpara, all four constituencies should go to the BJP. Congress made Assam a restive region and used the deaths of the youths for their political gains. But we signed peace accords with Bodos, Karbis, and other groups and made 10,000 youths surrender guns and brought them to the mainstream.

Remember those days of bomb blasts and indiscriminate firing by insurgent groups. But those days are gone now and will never return if you all vote for the BJP.

The Congress turned Assam into a restive place. But when I remind them of that, Rahul Gandhi tells me, "Why remember the old days?" But one should not forget the past. If by mistake Congress returns, unrest will have a field day.

Congress did nothing for Assam's culture, but I unveiled the statue of Bodofa Upendranath Brahma in New Delhi. Modi Ji unveiled the statue of Lachit Barphukan. Turned Charaideo Maidams into a UNESCO World Heritage Site. Built a memorial for the martyrs of the Assam Movement, and Lachit Barphukan's 400th anniversary was celebrated. We want to advance Assam's culture. To ensure that infiltrators can no longer increase their population through polygamy, we will introduce UCC and ban 4 marriages. But the Congress is spreading the fake news that UCC will be applicable to tribes. But I want to clarify that UCC will not be applicable to the tribes. The BJP government has set up primary schools to teach Rabha, Karbi, Mishing, Deori, Dimasa, Karbi, and Tiwa languages and ensured that these languages prosper and accorded the Assamese language the status of classical language.

Infiltrators have encroached upon vast tracts of land. But Himanta Biswa Sarma has freed 150,000 acres. The birthplace of Srimanta Shankardev, Kaziranga National Park, was encroached upon, but we freed them. We have set up world records in Jhumur, Bagurumba, and Bihu dances.

In Dudhnoi a Medical College campus has been built with Rs. 250 crore, and work on a poultry breeding farm is in progress, a drinking water project worth Rs. 1100 crore is in progress, the Nidanpur LPG bottling plant will be set up, and we have also taken afforestation drives on Kumari Beel and Dhamara Beel.

Earlier, small and marginal farmers used to get Rs. 6,000; now it will be increased to Rs. 11,000. Apart from that Rs.3 lakh subsidy for tractors, Rs.50,000 for power tillers,

building a chain of vegetable wholesale markets, giving land to tea tribes, and Rs.75,000 to build homes and increase their wages up to Rs.500, has been promised by BJP. Every tribe will get free education from KG to PG, free rice, dal, sugar, salt, and mustard oil at reduced prices, and women will get Rs. 3,000 per month.

Vande Bharat trains are coming to Assam; every block will have a stadium of its own, and every district will have a medical and engineering college.

He also said that the Gandhi family has always been anti-Assam. Nehru had said "Tata-bye-bye" to Assam, but under the BJP, not even an inch of Assam's land can be taken away by anyone.

In Palasbari, the objective behind the establishment of IIM by Hon'ble Prime Minister Shri Narendra Modi is to ensure that the youth of Assam—both sons and daughters—receive higher education and go on to work in leading companies in India and abroad, thereby transforming the region into a major center of education. The Congress party opposed the establishment of IIM, but no matter how much Rahul Gandhi tries, the IIM in Palasbari will be built. Prime Minister Modi has brought a ₹27,000 crore semiconductor plant to Assam, yet Rahul Gandhi questions why land was allotted for it. The BJP will provide government jobs to 2 lakh youth over the next five years.

The Congress party is not capable of delivering all this, as it did nothing during its tenure. Shri Shah appealed that no vote should go to the hand symbol and urged people to vote for the lotus symbol and ensure the victory of BJP candidates so that the BJP and NDA secure wins on all four seats in the district.

Allegations have been made that Congress state president Gaurav Gogoi has links with enemy countries, but the Congress has given no response.

Prime Minister Modi conferred the Bharat Ratna on Bhupen Hazarika, whereas Congress insulted him by referring to him as merely a "singer-dancer," thereby insulting the entire Assam.
