West Bengal, April 11: Honorable Union Minister of Home and Cooperation Shri Amit Shah today addressed massive rallies at Onda, Chhatna and Purulia in poll-bound West Bengal.

Shri Shah said that once the BJP government is formed, then Mamata Banerjee's syndicate will be removed without a trace. He said that the syndicate rule is the way through which Mamata Banerjee and her nephew to suck the blood of common people. It is the time to hold them accountable for their apathy towards the plight of the people. The youth had to migrate; the potato farmers did not get the right price for their produce. Out of sheer arrogance, Mamata Banerjee says that she will not allow potatoes produced in Bengal to be exported to Odisha and Jharkhand, as a result of which farmers do not get even Rs. 2 per kilo rate while they should be sold at Rs. 20. It is my promise that once the BJP government is formed, we will ensure from the very first day that potatoes produced here are sold across the nation. We will also set up a project to produce better seeds of potatoes so that they do not need to bring seeds from Punjab. The Bengal chief minister should be ashamed of herself that she, despite being a woman, is not being able to secure the dignity of women. As much as 300 bighas of land have been lost to erosion, but Mamata Didi does nothing.

TMC is digging the heart of Mother Earth for sand, but she does nothing.

The super specialty hospital here has neither doctors nor nurses; the goons of the TMC collect tax from the patients. They siphon off 1 kilo of rice out of the 5 kilos sent by Modi Ji for the poor. They should be ashamed of them. But I assure you that once a BJP government is formed, we will introduce the system of verification through thumb impression and stop pilferage of rice. We have decided to provide GI tags to the products like Balucharry Sarees and the potteries of Panchmura and remove middlemen from their trades. Mamata Banerjee says that women should not venture out after 7 pm. She has to go and see in Assam where there is BJP rule and where women visit marriage functions at 1 am on a scooty wearing 10 tolas of gold without a smell of security threat. A BJP government will provide women security for 24 hours a day. The gory case of R.G. Kar, Durgapur Medical College, and South Kolkata Law College made Bengal hang its head in shame, and the unabated exploitation of women by TMC goons never bothered Mamata Banerjee. The culprits who outraged the modesty of women under Mamata Banerjee's shelter will be sent behind bars once the BJP government is formed. The BJP government will bring a regime of trust and not fear. The TMC goons killed more than 300 BJP karyakartas. Once the BJP government is formed, we will get

even with the goons who have troubled our karyakartas. I warn these goons to sit at home on the 23rd and 29th of April on the days of polling or else they will not be spared. People of West Bengal should vote without fear because the Election Commission has deployed paramilitary forces to ensure that Mamata Banerjee's goons cannot cause disturbance in the poll process. Mamata Banerjee cannot deport the infiltrators. But the BJP will deport all the infiltrators one by one. India is not a Dharamshala but our land. Mamata Banerjee has driven out seven thousand industries, and we have decided to build four industrial estates, and one of them will be built in Vishnupur, where hundreds of crores of investments will come. We have decided to introduce UCC in Bengal, and no one will be allowed to indulge in polygamy. We will pay government employees as per the 7th pay commission, and women will be given Rs.3,000 every month. Bus rides will be made free for women. Pregnant women will be given Rs.21,000 and six nutrition kits. Jobless youths will be given Rs.3,000 unemployment allowance per month. We will provide free medical care up to Rs. 5 lakhs and Rs. 15,000 for the youth preparing for competitive exams. We will buy all the paddy produced by the farmers of West Bengal at Rs.3100 per quintal. We will increase widow, senior citizen, and disability pensions by double. Make tea garden laborers the owners of land and open the closed jute mills. Mamata Banerjee was involved in the cash-for-quarry scam, teachers'

appointment scam, SSC scam, Nagar Palika scam, PDS scam, cow smuggling scam, MGNREGA, and PM Awas scam, and crores of money were gobbled up. But I want to tell them that we will set up an inquiry commission and send them behind bars after the inquiry. The nation is advancing under the leadership of Modi Ji, and this can be fulfilled only when Bengal is developed. In Chhatna, Bankura, he said that even the High Court has ruled that sand mining in Bankura is being sheltered by the administration. The Congress and Mamata never made a tribal president of India, but Modi Ji made a tribal lady, Droupadi Murmu, the president of India. But when she came to West Bengal, she was insulted by the Mamata Banerjee government. I would appeal to all our sisters and brothers of the tribal community to avenge this by voting Mamata Banerjee out. They are not a party that can tolerate the welfare of the tribes. Mamata Banerjee plays the victim card by wrapping a bandage on her hands, feet, and head. But this time it will not work. The BJP chief minister will be a son of the soil, a Bengali. Once the BJP government is formed, farmers will be paid Rs.9,000 a year. We will also grant 5 years of age relaxation in government jobs. We will end land jihad and love jihad. We will fill all the government posts in a transparent manner. In Purulia, Shri Shah said that the BJP will include Rajbangshi and Kudmali languages in the eighth schedule of the constitution. Mamata Banerjee has caused tensions between Kudmi and Santhali people but showed no interest in

recognizing the Kudmali language. Modi ji has decided to introduce a lot of schemes for the welfare of the marginalized, commemorating Mahatma Phule. For the last 15 years, Mamata Banerjee has not given land for fencing the border. But once the BJP government is formed, we will complete the handover of lands. This time the people of Purulia need to elect the BJP in all the nine seats of Purulia. Once you form a BJP government, we will make all efforts to revive Bengal's earlier status as an industrial hub. We will roll out a Rs.250 crore tapped drinking water scheme for Purulia and adjacent areas. Mamata Banerjee has obstructed the holding of Saraswati Puja in a bid to appease infiltrators. I want to tell the goons of TMC that on the 5th of May a BJP government is going to be formed here, and anyone who dares to obstruct Saraswati Puja or ram Navami will not be spared. Mamata Banerjee is having problems with the ECI weeding out infiltrators from the voter list. But this is only the beginning. Once the BJP government is formed, we will deport infiltrators one by one. In the last 15 years Mamata Banerjee has done nothing other than making attempts to make her nephew the chief minister. But her dream will never be fulfilled, as her time is up. Under the leadership of Modi Ji, the nation is out to achieve the goal of Viksit Bharat. Bengal too has followed suit.
