

**Salient points of speech of Hon'ble Union Home and Cooperation
Minister Shri Amit Shah at Public Rallies Held in Gangarampur,
Manikchak, and Gazole, (West Bengal)**

Mamata Didi and Humayun Kabir should listen carefully, this is the land of India; no one can build a Babri Masjid here anymore.

Mamata Didi's goons will not be able to harass anyone this time, if they do, they will face consequences.

The TMC is the leader of the 'tukde-tukde gang' that talks about separating the Northeast from the 'Chicken's Neck' corridor.

The BJP will put a stop to polygamy, land jihad, and love jihad in West Bengal.

As infiltrators' names are being removed through SIR, Mamata Didi is crying out in protest; the BJP will identify and remove infiltrators one by one.

The BJP will develop North Bengal as a hub of AIIMS, IIT, IIM, a sports university, and eco-adventure.

Modi Ji had sent crores of rupees for flood relief in Malda, which were siphoned off by TMC's corrupt elements.

Mamata has done nothing for the prosperity of Malda's world-famous mango farmers; the BJP will build a cold storage facility in every block.

From the Bengali New Year, BJP workers will go door-to-door to help youth and women fill forms to receive ₹3000 per month.

West Bengal, April 14, 2026: Honorable Union Minister of Home and Cooperation today addressed massive public rallies in South Dinajpur, South Malda and North Malda.

Shri Shah said today is Ambedkar Jayanti who filled the lives of Dalits, backward classes and tribes with a new light. He gave us a unique constitution.

Tomorrow is Poila Baisakh and you all need to bid farewell to didi on this day. The BJP has decided to deport each and every infiltrator from India. These infiltrators are security threat to India, they are taking away the jobs of our youth and rice of the poor. Mamata government is not handing over 600 acres of land to complete border fencing. But we have decided that once the BJP government is formed we will hand over this land in just 45 days.

You all have to pay syndicate illegal tax whenever you buy anything. But after 4th of May you need not pay any such illegal taxes as we will fix the syndicate by hanging them upside down. We will revive the pride of Bengal.

Under the TMC government the health infrastructure of West Bengal is in shambles. We will develop North Bengal by building a national highway from Darjeeling to Sunderban. An AIIMS will be built in North Bengal. There will be a 600-bed cancer hospital equipped with latest health technologies in North Bengal. We will also set up an IIT, an IIM, a sports university in North Bengal. Apart from that we will also place Rajbangshi language in the eighth schedule. A tribal university will be built in North Bengal and Darjeeling will be converted into an eco-adventure hub. We will find out a constitutional solution to the Gorkha political issue without bifurcating Bengal. We will set up four industrial areas in North Bengal and semiconductor unit will be set up. We will give Rs.3,000 to every woman per month. Every pregnant woman will get Rs.21, 000 and six nutrition kits. Every government bus will give free ride to women. We will give unemployment allowance of Rs.3,000 per month to every youth. From the Bengali New Year, BJP workers will go door-to-door to help youth and women fill forms to receive ₹3000 per month.

We will pay Rs. 9,000 per year to farmers instead of Rs. 6,000 and the MSP of paddy will be made Rs.3100 per quintle and create 1 crore self-employment and job opportunities. Tea garden laborers will be given lands. Potato farmers will get the right prices of their produce as they will be allowed to export potato to every state. Mughals, British, TMC, Congress, Samajwadi Party, Bahujan Samajwadi Party and DMK opposed the building of Ram Temple. But you all made Modi Ji the Prime Minister and he built the Ram Temple in Ayodhya. But Didi wants to build Babri Masjid through her minion Humayun Kabir. Mamata Didi and Humayun Kabir should listen carefully, that this is the land of India; no one can build a Babri Masjid here anymore.

More than 300 BJP karyakartas have been killed in political violence. Once our government is formed we will drag the culprits out and send to jail.

Mamata Banerjee has always insulted the tribes. Modi Ji made a tribal woman Droupadi Murmu the president. But when she came to Bengal she was dishonored by Mamata Banerjee. We will not tolerate the insult to a tribal President.

Didi and Congress kept the Article 370 alive for 75 years. But Modi Ji ended Article 370. During Congress regime the terrorists used to launch attacks regularly but the Congress used to treat them with biriyani. But Modi Ji responded to them with surgical strike, air strike and Operation Sindoor.

Congress, communist and TMC cannot secure the nation. Modi government also eradicated Naxalism. They have made the Punarbhaba River a dumping ground but we will turn it into a lively river. We will also control flood and protect farmlands from floods. We will secure North Bengal by stopping gold and cow smuggling.

There was a leader who said that the Siliguri corridor should be cut off to sever the Northeast from India. Does he think that India is his inherited property? Didi and her nephew are the masterminds of this gang. I want to tell Didi that never cast an evil eye on India's land. People of Bengal are going to remove you. Her goal is not to provide jobs to youth, education and health facilities but to make her nephew the chief minister. Now they are spreading the lie that if BJP comes to power the state will be run by people from other states. Do not mislead people. We are going to install a son of the soil Bengali as the chief minister.

This time around do not be afraid of didi's goons because this time around stringent security measures are being taken. Also I suggest her goons remain indoors or else no one can save them from going to jail. Mamata Didi's goons will not be able to harass anyone this time, if they do, they will face consequences.

In Malda, he said that didi did nothing to build cold storage for mangoes. Once a BJP government is formed we will build one cold storage in every mandal.

Didi is lamenting the weeding out of illegal immigrants from the voters list by the election commission. But she should know that her time is up. People are bidding her farewell.

The CAG report said that TMC gobbled up Rs.100 crore of flood relief meant for the people of Malda. But they will be hung upside down and straightened.

We will stop land jihad and love jihad and implement UCC to end polygamy. We will increase salaries of government employees and pay them according to seventh pay commission in 45

days. Every poor will be provided free medical care up to Rs.5 lakh and aspirants of competitive exams will be given Rs.15,000.

Mamata Banerjee was involved in the cash-for-quarry scam, teachers' appointment scam, SSC scam, Nagar Palika scam, PDS scam, cow smuggling scam, MGNREGA, and PM Awas scam, and Rupees 5,000 crores were gobbled up. I assure you that once the BJP government is formed they will have to pay back every rupee they have plundered.

The incidents in Sandeshkhali, RG Kar, South Kolkata Law College or Durgapur Law College tell how insecure women are under Mamata Banerjee due to the TMC goons. But Mamata Banerjee says that women should not venture out after 7 pm. She should be ashamed of herself. Form a BJP government we will create a Bengal where women will travel fearlessly at night.
