Hon'ble Union Minister of Home and Cooperation Shri Amit Shah today addressed a range of rallies at Siliguri, Salboni, Kulti, and Chandipur in poll-bound West Bengal

Modi Ji introduced a bill to provide 33% reservation for women, but Mamata Didi worked to bring it down.

Mamata Didi, the people of Bengal are saying "bye-bye" to you.

The Mamata government describes freedom fighter Khudiram Bose Ji as a terrorist in its textbooks.

The TMC and Communist governments trapped Gorkha brothers and sisters in false cases; once a BJP government is formed, all such false cases will be withdrawn before July 31.

A BJP government in Bengal will provide jobs to 1 lakh youth every year.

On the morning of the 23rd, such a massive wave of support will rise for the BJP that by 11 a.m., TMC members will flee.

From the Bay of Bengal to the Arabian Sea and the Indian Ocean, infiltrators will find no place to hide.

Mamata's goons should stay at home on the 23rd; otherwise, once the BJP government comes to power on May 4, they will be tracked down and punished.

Blinded by appeasement, the Mamata government allocated ₹5,800 crore to madrasas and Muslims, while giving only ₹2,000 crore to North Bengal, tribal communities, and the hills.

West Bengal, April 21, 2026: Hon'ble Union Minister of Home and Cooperation Shri Amit Shah today addressed a range of rallies at Siliguri, Salboni, Kulti, and Chandipur in poll-bound West Bengal.

Shri Shah said this time the BJP government will be formed in Bengal, and it is time to say goodbye to Mamata Banerjee. But within 6 months of the formation of the BJP government, there will be smiles of satisfaction on the faces of Gorkha people because we are resolving the decades-old issues of the Gorkhas. The Congress and the TMC have inflicted injustice on Darjeeling and the Gorkha people. We understand the issues faced by the Gorkhas, and this is the reason why no party other than the BJP can resolve the issues faced by them.

This election is about freeing Bengal from the crimes of TMC and freeing North Bengal and Darjeeling from injustices. Entire Bengal has decided that the time to remove Didi has come. BJP will alleviate all the injustices meted out by TMC. This election is not about electing an MLA. This election is about securing the women across Bengal. Under the Mamata Banerjee government the women of Bengal faced terrible atrocities. Sandeshkhali incidents have brought immense shame to Bengal. Whether it is the innocent minor in Matigoda, the tribal woman in Bagdogra, or the rape in Durgapur Medical College, South Kolkata Law College, or RG Kar Medical College, we will send every rapist to jail one by one.

Mamata Banerjee has allocated a budget of Rs.2,000 crore for North Bengal, Gorkhas, and the tribes, but Rs.5,800 crore for Muslims and Madrassas. This injustice can not go on any longer. Mamata Banerjee destroyed the glorious history of the Gorkhas. This is the time to end injustice against the Gorkhas. I want to say that Darjeeling has to hold accountable the Congress, TMC, and the Communists for inflicting injustice on Subhash Ghising.

After becoming the home minister of India, I called for three meetings for the solution of the Gorkha problem. But neither Mamata Banerjee nor her representative ever attended the meetings. We appointed an interlocutor for the solution who met all the Gorkha leaders and the government officials. We will give the solution to the Gorkhas the way they want. We have planned for the revival of the tea industry. We will not let them sell.

We will remove all the infiltrators. Mamata Banerjee and her collector have struck off a few of the Gorkhas from the voters list. You need not worry because we will put their names back. We will also conduct an inquiry on their scams. We have given three Vande Bharat trains to North Bengal. The works of the Rs.12,000 crore Sewok-Rengpo project are approaching conclusion. The NJP Railway Station is being developed. We will also ensure that our Gorkha brothers visit Kashi Vishwanath in bullet trains. We are also planning to build an alternative railway for Darjeeling. The Bagdogra airport is being built anew with Rs.3,000 crore, and before December 2027 it will be recognized as India's seventh biggest airport. We have handed over Kharsang Eastern Forest Rangers College to IIFM to make it a research institute. The MBA courses related to forestry will also be made available here.

We will build a new national highway from Darjeeling to Sunderban. Once the BJP government is formed, we will set up an AIIMS in North Bengal. We will build a 500-

bed cancer hospital for North Bengal. We will set up IIT and IIM in North Bengal and a sports university for Gorkha youths. A tribal university is going to be built, and Darjeeling will be developed as an ecotourism and adventure hub. We will remove infiltrators one by one. We will set up 4 industrial towns and give government employees the benefits of the Seventh Pay Commission and DA. Women will be given Rs.3,000 every month, and unemployed youths will be given Rs.3,000 per month. In the tea gardens, schools will be built, tea garden laborers will be given land, and their wages will be increased to Rs. 500. Women will be given free rides in government buses, and everyone will be given free medical care up to Rs. 5 lakh. The widows, senior citizens, and handicapped will be given Rs.2,000 and we will revive the jute mills. Most importantly, we will end the syndicate. If after the 5th of May they trouble any citizen, they will be fixed. I also warn the goons of TMC not to trouble anyone during the voting day, or else they will have to face the consequences after the 5th of May. They are also peddling the fake narrative that the welfare schemes will be shut down after BJP forms a government. But I assure you that none of these schemes will be withdrawn. We will implement them along with the other schemes. Thousands of cases have been filed against our Gorkha brothers to suppress the Gorkha movement. Once our government is formed, we will withdraw all of these cases and also ensure a solution that will ensure that they will no longer have to continue their movement. Now you all need to determine to oust the government that has inflicted so much injustice on you and form a government under the leadership of Narendra Modi.

Mamata Banerjee's misrule has stopped the furnaces of Kulti that once supplied iron to entire India and the world. The election commission has arranged for adequate security, and no one will be able to trouble the voters during the voting day. The BJP government will throw the syndicate of Mamata Banerjee in the Bay of Bengal. You all have to find out the lotus switch on the EVM, and we will trace out the mafia of TMC.

Mamata Banerjee should be ashamed of the Sandeshkhali incident where women were robbed of their dignity for years by an infiltrator. RG Kar, Durgapur College, Kolkata Law College—so many atrocities on women. But Mamata Banerjee says that women should not get out of their homes after 7 pm. Her days are now numbered. I want to assure the women that after the 4th of May, when the BJP government is formed, no one will dare to cast an evil eye on a woman travelling at 1 am. We will ensure the security of women and revive the status of Kulti as the iron city. We will end illegal mining and stop the pollution created by sponge iron units and create employment. We will introduce UCC and end polygamy. We will give Rs.21,000 to every pregnant woman. The BJP government will provide a loan up to Rs.10 lakh to youth to carry out business. We will increase the MSP of rice to Rs. 3,100 per quintal and will increase the yearly payout for farmers to Rs. 9,000 from Rs. 6,000. All of us know that Mamata Banerjee sold jobs. But we will give jobs to youths in a transparent manner—1 lakh jobs per year. We will vaccinate every woman in Bengal.

Mamata Banerjee was involved in the cash-for-query scam, teachers' appointment scam, SSC scam, nagar palika appointment scam, cow smuggling, PDS scam,

MGNREGA scam, and PM Awas scam. They may think that they are saved. But wait for the right time. Once the BJP government is formed, we will send them to jail one by one. Once the BJP government is formed, we will hand over the land to the BSF to build fences along the border. We will make the border foolproof. Mamata Banerjee has no concerns for the youth of Bengal. She is concerned about the future of only one youth, and he is the nephew. She wants to make her nephew the chief minister after the election. But her dream will never come true. She spreads lies that if the BJP forms a government, then an outsider will become the chief minister. I assure you that the son of soil Bengali will be made the chief minister.

The West Bengal government names great freedom fighter Khudiram Bose a terrorist in the textbooks. Khudiram Bose was the youngest martyr. Mamata Banerjee is sheltering infiltrators for the sake of her vote bank. But once you form a BJP government, we will deport infiltrators one by one.

Mamata Banerjee's goons gobbled up all the Rs. 3,000 crore sent by Modi Ji for disaster relief. But we assure you all that once the BJP government is formed, we will recover every penny from them. Her goons gobbled up all the money sent for the poor; we will recover every penny from them. Modi Ji sent food grains and money for concrete homes for the poor; they swindled the money. They promised a project of Jindal Steel, but the project has not taken off. Only Modi Ji can make this happen. They steal the sand from the rivers. You all form a government; we will not let them steal.

Mamata Banerjee stopped the export of potatoes to Odisha and Jharkhand. I assure you that we will lift the ban and help you earn the right price for potatoes. We will build cold storage in every mandal.

Modi Ji built the Ram Mandir where there was the Babri Masjid. But in Bengal Mamata's minion is attempting to build the Babri Masjid here. Mamata Banerjee should listen carefully. Bengal is in India, and we will not allow anyone to build Babri Masjid here.

Mamata Banerjee defeated the women's reservation bill. They are not concerned about the security of the nation. They are concerned only about the security of the infiltrators. Didi and her nephew were the people who let the infiltrators enter. If you form a BJP government, we will fence the border within 45 days. They are now troubling our religious leaders. I warn the infiltrators to leave before the 5th of May because a BJP government will be formed. We will set up a research center for paan leaves in Chandipur.

They have killed hundreds of Karyakartas of the BJP. The murderers will find no place to hide once the BJP government is formed in Bengal on the 5th of May. Mamata Banerjee and her allies opposed the abrogation of Article 370 and fed biriyani to the terrorists. But Modi Ji launched a surgical strike, air strike, and operation Sindoor whenever India's patience was tested.
