Hon'ble Union Minister of Home and Cooperation Shri Amit Shah today addressed massive rallies at Dum Dum, Howrah and Sapatgram in poll-bound West Bengal.

Modi Ji is being called a terrorist by the Congress President. Kharge Ji, the more you abuse Modi Ji, the more the lotus will bloom.

Mamta Didi, who opposed women's reservation, women in Bengal are waiting for the 29th to bid you farewell.

The counting of votes will begin at 8 a.m. on May 4, and by 1 p.m., it will be goodbye to Mamta Didi.

TMC goons, do not step out on the 29th, or you will face serious consequences.

Because of Mamta Didi, industries left Bengal; because of the BJP, syndicate goons will leave Bengal.

West Bengal, April 22, 2026: Hon'ble Union Minister of Home and Cooperation Shri Amit Shah today addressed massive rallies at Dum Dum, Howrah and Sapatgram in poll-bound West Bengal.

Shri Shah said, "You all have to vote to make Bengal free from infiltrators and to revive the lost pride of Kolkata." On the 4th of May, counting will take place, and by 1 pm, counting will be over, and Didi will say "Tata, bye-bye." Good governance will begin in Bengal after a long time. The new BJP government will begin the process of building Sonar Bangla, dreamt of by Kaviguru, Rishi Aurobindo, and Syama Prasad Mukherjee.

We will build a Bengal where women will no longer be in the grasp of fear. An infiltrator exploited women for years in Sandeshkhali. But Didi kept mum because he was an infiltrator.

The infiltrators are eating away the food of the poor, taking away the jobs of the youth and causing national security threats. If you all form a BJP government, the BJP will deport them one by one. Everyone in Bengal wants the infiltrators to be out except for Didi, because it is the infiltrators who elect her. But mark my words: after the 4th of May, we will deport infiltrators one by one. She does not hand over the 600 acres of land required to build fencing along the border. It is my promise that once the BJP government is formed, we will hand over the land to build a fence within 45 days.

RG Kar, Kolkata Law College, Durgapur Law College—many of these incidents rocked Bengal, but Didi never cared. Rather, she asked women not to venture out after 7 pm. As a woman chief minister, she should be ashamed of uttering these words. After the 4th of May no goon will dare to cast an evil eye on our girls. We will free the women from fear. The goons of TMC go to the people and threaten them with troubles if they venture out. Today I warn those not to venture out on the 29th of April, or they will face trouble. People of Bengal have to find the switch with the lotus symbol on the EVM, and we will take care of the goons after the 4th of May.

When the nation became independent, Bengal contributed 20% of the nation's GDP; today it has plummeted to Rs.5.25. Industrialization began in India in West Bengal, but today all the industries are going away from Bengal. More than 6,000 industries have left Bengal because Didi's syndicate and the cut-money gang are after industries. Let alone industries, even commoners have to pay money to buy bricks and sand. Mark my words, after the 4th of May the syndicate will leave Bengal. Industries have left because of Didi, and the syndicate will leave Bengal because of the BJP.

We will build four industrial townships and bring all the industries that have left Bengal back. We will build the Sonar Bangla under the leadership of Narendra Modi Ji.

Mamata Banerjee, along with the Congress, has defeated the women's reservation bill and obstructed women's path from going to the legislative assembly and Lok Sabha. Women are now waiting for the voting day to vote Didi out. Didi's countdown for exit has begun.

Modi Ji ended Article 370, which was protected by the Congress and its minion, TMC. Modi Ji dealt a decisive blow to terrorism through a surgical strike, airstrike, and Operation Sindoor. But the TMC and the Congress fed biriyani to terrorists when they were in power.

The Narendra Modi who ended terrorism, Congress's president calls him a terrorist. Due to his companionship with Rahul Gandhi, the public demeanor of Kharge Ji has deteriorated. Form a BJP government in West Bengal, and we will end terrorism here too. Modi Ji is being called a terrorist by the Congress President. Kharge Ji, the more you abuse Modi Ji, the more the lotus will bloom.

I want to tell Rahul Gandhi that in Tamil Nadu and Puducherry they are not going to cross the double-digit mark. In Bengal there is hardly any chance of their opening account. In Assam they will face the biggest disaster to date. Mamata Didi is with this Congress; even she is going to face the same consequence.

For 550 years the Mughals, the British, the Congress, and the TMC obstructed the construction of the Ram Temple. But you all made Modi Ji the prime minister, and Modi Ji built the Ram Temple.

Mamata Didi opposed the Ram Temple, but in Bengal she is getting the Babri Masjid built through Humayun Kabir. No matter how much she tries, we will not let anyone build Babri Masjid on the sacred land of Kaviguru and Vivekanand.

The municipality here is on the verge of bankruptcy, and because of its apathy, a lake of sewage water has been formed here. The Moti Lake has become polluted, and no one cares.

Once the BJP government is formed, we will revive the old glory of Dum Dum. We will bring the UCC and end polygamy and triple talaq.

We will put Rs. 3,000 per month in the accounts of women and pay government employees as per the 7th pay commission. Unemployed youths will be paid Rs. 3,000 per month, and we will extend the ambit of Kolkata to Dum Dum and Howrah. We will resolve the problem of traffic jams here. BJP has made a roadmap of development for Kolkata and the adjacent areas. Wherever a BJP government is formed, we have taken care of the security of the women. We will give 1 lakh jobs to youths per year. Every pregnant woman will be given Rs.21,000, and all women will be given free rides in government buses. We will send all the bootleggers to jail.

We will provide free medical care to the poor up to Rs. 5 lakh; farmers will be provided Rs. 9,000 instead of Rs. 6,000 a year; the MSP of paddy will be increased to Rs. 3,100 per quintal; widows, senior citizens, and the handicapped will be given Rs. 2,000. Most importantly, we will free Bengal from the syndicate.

I would appeal to people not to be afraid of the goons of Mamata Banerjee. Her goons have places in jails.

Now it is time to remove Mamata Banerjee, who, in the name of Maa Mati Manush, runs the politics of terror. She has left Bengal for the goons. Her only goal is to make her nephew the chief minister.

She is misleading the people saying that the BJP's chief minister will be an outsider. I want to tell you all that the BJP chief minister will be a son of the soil Bengali.

Mamata Banerjee has been involved in thousands of crores' worth of scams. But once the BJP government is formed, they will have to pay back every penny they have swindled, depriving the people.

She was involved in the cash-for-quarry scam, teacher's appointment scam, SSC scam, Nagar Palika and Nagar Nigam appointment scam, cow smuggling scam, PDS scam, MGNREGA scam, and PM Awas scam. We will fill the coffers of the West Bengal government by bringing back the money looted from people.
