**West Bengal April 23, 2026:** Honorable Union Minister of Home and Cooperation Shri Amit Shah today addressed massive rallies in Balagarh and Pursurah in poll-bound West Bengal.

Shri Shah said, "If you all want to know what the outcome of the ongoing results could be, then the answer is Didi will be wiped out politically." A BJP government with an absolute majority is going to be formed.

Balagarh is the land that cradled Bengal Tiger Ashutosh Mukherjee. His son Syama Prasad Mukherjee built our party and sacrificed his life to remove Article 370 from Kashmir. Once the BJP government is formed, we will build a memorial for Ashutosh Mukherjee and Syama Prasad Mukherjee at their residence with a budget of Rs. 15 crore.

You have to vote for the BJP to ensure that infiltrators are deported. We will deport infiltrators one by one. The infiltrators are taking away the jobs of our youth, eating away the food meant for the poor, and causing insecurity to the nation. It is the BJP's promise that after the 5th of May no one will be able to infiltrate. The infiltrators who are already residing in West Bengal will be deported.

The ship industry of Balagarh used to create jobs. But due to the syndicate of Mamata Banerjee this industry has shut down. As many as 41 factories have been closed down by Mamata Banerjee. We will revive this industry again.

The syndicate has troubled all of Bengal with the 'nephew tax'. Whatever the people buy, they have to pay tax for it. You just bid farewell to Mamata Banerjee; we will straighten the syndicate by hanging them upside down.

The people who are into illegal sand mining and cow smuggling will have no place in BJP-ruled West Bengal.

The goons of Mamata Banerjee have threatened the people with dire consequences. I warn them that if they try to trouble the people on the 29th of April, then their address will be the Bay of Bengal on the 5th of May. The election commission has made adequate provision of central paramilitary forces, and hence no one needs to worry. In

the first phase of the election, no goon of Mamata Banerjee could do any harm to people. The massive voting percentage tells us that this time around Didi will be wiped out politically. I want to warn the goons who unleashed atrocities on the BJP karyakartas that they are not saved. After the 5th of May we will trace you out and put you behind bars.

Didi is a woman, and women's condition in Bengal is the worst in India. In Sandeshkhali, an infiltrator TMC leader unleashed atrocities on the women. Mamata Didi kept mum.

The reconstruction of the Ram Temple was first hindered by the Mughals, then the British, then the Congress and TMC. But you all made Modi Ji the prime minister; he built the Ram Temple.

Rekha Patra the victim in Sandeshkhali and the mother of the RG Kar incident victim both are today BJP candidates. They will become MLAs and will settle the scores for the people.

Durgapur Medical College and South Kolkata In medical college, nowhere is safe for women. But Didi says that women should not venture out after 7 pm at night. She should be ashamed of her words and for not being able to secure women. When a BJP government is formed, let alone at 7 pm, women will be safe even at 1 pm. Under the leadership of Narendra Modi, we will secure women in Bengal.

On the other hand, Mamata Banerjee is making attempts at building Babri Masjid through her minion Humayun Kabir. But she should listen carefully: Bengal belongs to India, and as long as a single BJP karyakarta is alive, we will not allow anyone to build Babri Masjid here. The time of Mamata Didi is up. She wants to make her nephew the chief minister. We will make a son of the soil Bengali the chief minister, and her nephew will never become the chief minister.

As soon as the BJP government is formed, we will ensure that the potatoes produced in Bengal are exported to Bihar, Odisha, and Jharkhand, and the potato farmers get higher price for their produce per kilo. Because of the policies of Didi, the potatoes that should bring the price of Rs. 22 are sold at Rs. 2. Apart from that, we will also set up a seed production center, which will bring down the cost of seeds. We also have decided to set up 10 chip factories from Hooghly to Vishnupur so that the potato farmers get a good price for their produce. We will give women Rs.3,000 and the youth Rs.3,000 per month. The farmers will be paid Rs.9,000 instead of Rs.6,000. Every pregnant woman will be paid Rs. 21,000 and women will be given free rides in government buses

Modi Ji ended terrorism and Naxalism, and we will end infiltration from Bengal. We will send the corrupt behind the bar and bring back the industries that left Bengal. Didi has ruined Bengal, and we will build Sonar Bangla.
