On this occasion, Union Home Minister and Minister of Cooperation Shri Amit Shah extended his best wishes to all the girls for the festival of Raksha Bandhan and wished them good health and a bright future.

Under the leadership and guidance of Shri Amit Shah, children aged 0 to 18 years suffering from Type-1 juvenile diabetes in the Gandhinagar parliamentary constituency have been ensured the benefits of the Modi government's visionary initiative. In this direction, an integrated system comprising "screening – diagnosis – insulin/treatment – monitoring – follow-up" has been established to provide lifelong essential insulin to children suffering from Type-1 diabetes in the Gandhinagar Lok Sabha constituency.

Speaking on the occasion, Shri Amit Shah said, “For the Modi government, public service is not merely a responsibility but the guiding principle of compassionate governance.” Only when the health of daughters is secure will the future of the family and society be secure. This initiative to provide free insulin to daughters on the auspicious occasion of Raksha Bandhan also symbolizes our commitment to the protection and health of daughters.
